Acknowledging the launch of the Global Humanitarian Response Plan for COVID-19 by the United Nations, which puts the people at the center of the response,

Considering that the unprecedented extent of the COVID-19 pandemic is likely to endanger the maintenance of international peace and security,

1. *Demands* a general and immediate cessation of hostilities in all situations on its agenda and *supports* the efforts undertaken by the Secretary-General and his Special Representatives and Special Envoys in that respect;

2. *Calls upon* all parties to armed conflicts to engage immediately in a durable humanitarian pause for at least 90 consecutive days, in order to enable the safe, unhindered and sustained delivery of humanitarian assistance, provisions of related services by impartial humanitarian actors, in accordance with the humanitarian principles of humanity, neutrality, impartiality and independence, and medical evacuations, in accordance with international law, including international humanitarian law and refugee law as applicable;

3. *Affirms* that this general and immediate cessation of hostilities and this humanitarian pause do not apply to military operations against the Islamic State in Iraq and the Levant (ISIL, also known as Da'esh), Al Qaeda and Al Nusra Front (ANF), and all other individuals, groups, undertakings and entities associated with Al Qaeda or ISIL, and other terrorist groups, which have been designated by the Security Council;

4. *Requests* the Secretary-General to help ensure that all relevant parts of the United Nations system, including UN Country Teams, in accordance with their respective mandates, accelerate their response to the COVID-19 pandemic with a particular emphasis on countries in need, including those in situations of armed conflict or affected by humanitarian crises;

7. *Acknowledges* the critical role that women are playing in COVID-19 response efforts, as well as the disproportionate negative impact of the pandemic, notably the socio-economic impact, on women and girls, children, refugees, internally displaced persons, older persons and persons with disabilities, and *calls* for concrete actions to minimize this impact and ensure the full, equal and meaningful participation of women and youth in the development and implementation of an adequate and sustainable response to the pandemic;
