addressed to the Secretary-General

I should be grateful if you would have this letter and its annex **:irculated** as an official document of the General Assembly, under **agenda** item 125, and of the Security Council.

ANNEX

Communiqué from the Presidency of the French Republic  
and the Ministry of Foreign Affairs

The judicial inquiry conducted with regard to the attack on the UTA **DC-10**, which resulted in 171 deaths on 19 September 1989 places heavy presumptions of guilt for this odious crime on several Libyan nationals.

Accordingly, following the summoning of the Ambassador of Libya to France **by the Minister** of State, Minister for Foreign Affairs, the French Government reiterates its demand that the Libyan authorities cooperate immediately, effectively and by all possible means with French justice in order to help to establish responsibility for this terrorist act.

To that end, France calls upon Libya:

To produce all the material evidence in its **possession** and to facilitate access to all documents that might be useful for establishing the truth.

To facilitate the necessary contacts and meetings, inter alia, for the assembly of witnesses.

To authorize the responsible Libyan officials to respond to any request made by the examining magistrate responsible for judicial information.
