Draft resolution submitted by the representative of Chile at the
576th meeting of the Security Council on 14 April 1952

The Security Council,

Decides to include in its agenda, consideration of the communications submitted by Afghanistan, Burma, Egypt, Pakistan, the Philippines, India, Indonesia, Iraq, Iran, Saudi Arabia and Yemen with regard to the situation in Tunisia, on the understanding that such action does not imply any decision regarding the competence of the Council to consider the substance of the question;

Decides to postpone consideration of the communications referred to for the time being.
