Turkey: draft resolution

The Security Council,

Having examined the complaint of Tunisia against France,

Recalling its resolution S/4882 of 22 July which called for an immediate cease-fire and a return of all armed forces to their original positions,

1. Expresses its concern that the resolution has not been fully carried out;
2. Calls for immediate and full implementation of that resolution;
3. Urges the early opening of negotiations for a peaceful resolution of their differences, including a definitive settlement of the question of Bizerte, having due regard for Tunisian sovereignty.
