(d) Council Regulation (EU) 2017/1836 of 10 October 2017 amending Regulation (EU) 2017/1509 concerning restrictive measures against the Democratic People's Republic of Korea, which gives effect to the measures provided for in Council Decision (CFSP) 2017/1838.

2. In addition to the common European Union measures, the Swedish authorities, within the scope of their national implementation competence, apply the Act on Certain International Sanctions (1996:95) in implementing the restrictive measures against the Democratic People's Republic of Korea imposed by the Security Council.
3. The aforementioned Council Regulations are binding in their entirety and directly applicable in all States members of the European Union, including Sweden. Council Regulation (EU) 2017/1509, as amended, requires that member States determine the penalties applicable to infringements of the provisions of that regulation. At the national level, penalties for violations of directly applicable European Union law are set out in the relevant sections of Act (1996:95).
4. Sweden has also adopted the Military Equipment Act (1992:1300), under which it requires an export authorization for the sale, supply, transfer or export of arms and related materiel (excluding paramilitary equipment) to third countries and an authorization for the provision of brokering services and other services related to military activities. Act (1992:1300) and Council Decision (CFSP) 2016/849 provide the basis for the enforcement of the arms embargo against the Democratic People's Republic of Korea and the ban on related brokering services.
5. In addition, Sweden has adopted Decree (2011:67) on Certain Sanctions against the Democratic People's Republic of Korea, under which it prohibits the procurement of arms and related materiel (including paramilitary equipment) from and the sale, supply, transfer or export of paramilitary equipment to the Democratic People's Republic of Korea.
6. As regards restrictions on admission (visa ban), the general legislation of Sweden concerning aliens, Council Decision (CFSP) 2016/849 and Council Regulation (EC) No. 539/2001 provide the basis for refusing admission and denying requests for a visa.
