Annex to the note verbale dated 11 June 2019 from the Permanent Mission of Mexico to the United Nations addressed to the Chair of the Committee

Report of Mexico on the implementation of Security Council resolution [2397 \(2017\)](#)

In order to effectively implement paragraph 8 of Security Council resolution [2397 \(2017\)](#) concerning the Democratic People's Republic of Korea and resolutions of that body prohibiting the Democratic People's Republic of Korea from developing nuclear weapons and ballistic missiles and imposing sanctions against individuals or entities linked to their development, the Government of Mexico wishes to hereby report on the measures taken to date by its competent authorities (Ministry of Foreign Affairs, National Migration Institute, Ministry of Security and Citizen Protection, and Ministry of Finance and Public Credit), within their respective areas of competence.

On 15 February 2018, the Ministry of Foreign Affairs published in the Official Gazette of the Federation the decision setting out the resolutions adopted and lists issued by the Security Council concerning the Democratic People's Republic of Korea, including resolution [2397 \(2017\)](#).

The National Migration Institute has added the individuals listed in annex I to resolution [2397 \(2017\)](#) to the national immigration watch lists, to prevent their entry into or transit through Mexico. The Institute has no record of nationals of the Democratic People's Republic of Korea having been repatriated in a 12-month period starting from the date of adoption of resolution [2397 \(2017\)](#).

The Ministry of Security and Citizen Protection and the Financial Intelligence Unit of the Ministry of Finance and Public Credit have reported that thorough inspections revealed no record of nationals of the Democratic People's Republic of Korea earning income in Mexican territory.
