

Security Council

Forty-ninth Year

3388th Meeting

Wednesday, 8 June 1994, 6.30 p.m.

New York

Provisional

Corrigendum

Page 8

Sixth paragraph should read

The human rights abuses in Rwanda have already been referred to by many Ambassadors, but it would be wrong not to mention them again in this debate. It is entirely right that the Commission on Human Rights has appointed a Special Rapporteur. It is highly welcome that the new High Commissioner for Human Rights took this up as one of the first tasks to which he addressed his new office.
