## Information circular\*

To: Members of the staff  
From: The Assistant Secretary-General for Human Resources  
Subject: **Pensionable remuneration for staff in the Professional and higher categories and for staff in the Field Service category**

1. The current procedure for adjusting the scale of pensionable remuneration for staff in the Professional and higher categories provides for the scale to be revised on the same date as the net remuneration amounts (base salary plus post adjustment) of staff in the Professional and higher categories in New York are adjusted. The scale of pensionable remuneration for those categories, in accordance with the provisions of article 51 (b) of the Regulations of the United Nations Joint Staff Pension Fund, must be adjusted with the same effective date and by the same percentage as the net remuneration increase.

2. In accordance with the procedure described in paragraph 1 above, the Chair of the International Civil Service Commission has promulgated the consequent revised scale of pensionable remuneration applicable to staff in the Professional and higher categories, with effect from 1 February 2019. The revised scale is provided in annex I to the present circular.

3. The pensionable remuneration amounts for staff in the Field Service category have also been revised with effect from 1 February 2019. The revised scale is set out in annex II to the present circular.

4. The February 2019 statements of earnings and deductions will reflect the changes in the monthly pension contributions resulting from the revised scales of pensionable remuneration contained in annexes I and II to the present circular.

---

\* The present circular, which cancels and supersedes circular ST/IC/2019/11, will be in effect until further notice.
