Item 4. Preparation of a convention on transparency in treaty-based investor-State arbitration

(a) Previous deliberations

5. At its forty-third session (New York, 21 June-9 July 2010), the Commission adopted the UNCITRAL Arbitration Rules (as revised in 2010).¹ At that session, with respect to future work in the field of settlement of commercial disputes, the Commission recalled the decision made at its forty-first session (New York, 16 June-3 July 2008) that the topic of transparency in treaty-based investor-State arbitration should be dealt with as a matter of priority immediately after completion of the current revision of the UNCITRAL Arbitration Rules. The Commission entrusted its Working Group II (Arbitration and Conciliation) with the task of preparing a legal standard on that topic.² At its forty-fourth session (Vienna, 27 June-8 July 2011), the Commission reiterated its commitment expressed at its forty-first session regarding the importance of ensuring transparency in treaty-based investor-State arbitration and confirmed that the question of applicability of the legal standard on transparency to existing investment treaties was part of the

mandate of the Working Group and a question with great practical interest, taking account of the high number of such treaties already concluded.³

6. The Working Group started its consideration of a legal standard on transparency at its fifty-third session (Vienna, 4-8 October 2010), and agreed that that standard would take the form of rules on transparency in treaty-based investor-State arbitration.⁴ The Working Group completed its work on the preparation of rules on transparency at its fifty-eighth session (New York, 4-8 February 2013).

7. At its forty-sixth session (Vienna, 8-26 July 2013), the Commission adopted the UNCITRAL Rules on Transparency in Treaty-based Investor-State Arbitration (the “Rules on Transparency”), together with the UNCITRAL Arbitration Rules (with new article 1, paragraph 4, as adopted in 2013).⁵ At that session, the Commission recorded consensus to entrust the Working Group with the task of preparing a convention on the application of the Rules on Transparency to existing investment treaties (the “transparency convention”), taking into account that the aim of the convention was to give those States that wished to make the Rules on Transparency applicable to their existing investment treaties an efficient mechanism to do so, without creating any expectation that other States would use the mechanism offered by the convention.⁶

8. At its fifty-ninth session, the Working Group completed its first reading of the transparency convention, on the basis of notes prepared by the Secretariat (A/CN.9/784 and A/CN.9/WG.II/WP.179).

9. At its sixtieth session, the Working Group is expected to complete its second reading of the transparency convention, on the basis of a note prepared by the Secretariat (A/CN.9/WG.II/WP.181).

(b) Documentation

10. The Working Group will have before it an annotated draft of the transparency convention as contained in a note by the Secretariat (A/CN.9/WG.II/WP.181). A limited number of the following background documents will be made available at the session:

Item 5. Organization of future work

12. At its sixtieth session, the Working Group may wish to consider organization of its work in respect of the matters which were mentioned by the Commission at its thirty-ninth,⁷ forty-fourth,⁸ and forty-sixth⁹ sessions as matters for future work of the Working Group.

13. In its deliberations on future work, the Working Group may wish to note that, at its forty-sixth session, the Commission agreed that the Notes on Organizing Arbitral Proceedings (1996) required updating as a matter of priority. It was agreed that the preferred forum for that work would be that of a Working Group to ensure that the universal acceptability of those Notes would be preserved. It was recommended that a single session of the Working Group should be devoted to consideration of the Notes and that such consideration should take place as the next topic of future work, after completion of the current work.¹⁰

14. The Working Group may wish to adopt, at the close of its session, a report for submission to the forty-seventh session of the Commission, scheduled to be held in New York, from 7 to 25 July 2014. The main conclusions reached by the Working Group at its ninth meeting (on Friday morning) will be summarily read out for the record at the tenth meeting and subsequently incorporated into the report.

15. The sixtieth session of the Working Group will last for five working days. There will be ten half-day meetings available for consideration of the agenda items. The Working Group may wish to note that, consistent with decisions taken by the Commission at its thirty-fourth session,¹¹ the Working Group is expected to hold substantive deliberations during the first nine half-day meetings (that is, from Monday to Friday morning), with a draft report on the entire period being prepared by the Secretariat for adoption at the tenth and last meeting of the Working Group (on Friday afternoon).
