## رسالة مؤرخة 28 أيار/مايو 2021 موجهة إلى الأمين العام من الممثل الدائم لميانمار لدى الأمم المتحدة

لقد انقضى أكثر من 115 يوماً منذ الانقلاب العسكري الذي نُفذ في ميانمار في 1 شباط/فبراير 2021، وما فتئ شعب ميانمار يعيش في ظل أجواء يسودها الخوف الشديد. ومباشرة بعد حدوث الانقلاب العسكري، خرج ملايين الأشخاص من مختلف مشارب الحياة إلى الشوارع في جميع أنحاء البلد وأُعربوا عن خيبة أملهم إزاء الانقلاب العسكري وطالبوا بالإفراج الفوري وغير المشروط عن جميع المحتجزين بصورة غير قانونية، وإعادة سلطة الدولة إلى الشعب، واستعادة الديمقراطية في ميانمار. وفي وقت لاحق، قامت القوات العسكرية وقوات الأمن بقمع حركة الاحتجاج السلمية بوحشية وارتكبت ولا تزال ترتكب فظائع عشوائية لا حصر لها وانتهاكات خطيرة لحقوق الإنسان ضد الشعب. وفي الفترة الممتدة من 1 إلى 26 شباط/فبراير 2021، قتلت القوات العسكرية ثمانية مدنيين أبرياء.

وفي 26 شباط/فبراير 2021، أُلقيت بيانا في الجلسة غير الرسمية للجمعية العامة بشأن ميانمار. وفي ضوء ما بلغني من زيادة تكثيف الأعمال اللاإنسانية والوحشية المستمرة من جانب القوات العسكرية، ناشدت في بياني المجتمع الدولي أن يتخذ أقوى إجراءات يمكن اتخاذها لإنهاء الانقلاب العسكري فوراً. وعلى مدى 90 يوماً بعد ذلك النداء، قُتل أكثر من 800 شخص، منهم العديد من الشباب والأطفال، بما في ذلك فتاة لا يتجاوز عمرها 7 سنوات. وفي اعتقاد شعب ميانمار أنه لو أن المجتمع الدولي، بما في ذلك الأمم المتحدة، اتخذ إجراءات حاسمة وفي الوقت المناسب ضد الجيش، لحال ذلك دون هلاك أكثر من 800 شخص من المدنيين الأبرياء.

وواصل الجيش ومجلس إدارة الدولة تجاهل دعوات المجتمع الدولي إلى إنهاء أعمال العنف، بل ارتكبا المزيد من الفظائع التي قد تشكل جرائم ضد الإنسانية. وأود أن أذكر برسائلي الموجهة إليهم، المؤرخة 15 أيار/مايو 2021، التي دعوته فيها إلى إيلاء اهتمام عاجل للحالة في منادات بولاية تشين. وبالإضافة إلى المعلومات الواردة في تلك الرسالة، تجدر الإشارة إلى أن الأوضاع لم تتحسن هناك في الأيام التالية، ولا يزال المدنيون يعانون من حملات القمع والهجمات غير المتناسبة التي تشنها القوات العسكرية.

وأود أن أوجه انتباهكم على وجه الاستعجال، مرة أخرى، إلى الحالة الراهنة المثيرة للجزع في ميانمار، ولا سيما في ديموسو ولويكاو في ولاية كايا. ونتيجة لعدم القدرة على مواصلة تحمل التعذيب العشوائي والمعاملة اللاإنسانية من جانب القوات العسكرية، أطلقت قوات الدفاع الشعبية الكارينية في ولاية كايا عملية مقاومة مسلحة خلال هذا الأسبوع. ولئن كانت الاشتباكات قد اندلعت بين قوات الأمن وقوات الدفاع الشعبية الكارينية، استخدم الجيش المدفعية الثقيلة في المناطق السكنية وسط المدينة، مما تسبب في وقوع إصابات ووفيات، فضلا عن إلحاق أضرار بالمنازل الخاصة والمرافق الدينية. وذكرت الأنباء أن الجيش قد ذهب إلى حد استخدام الدبابات والطائرات المقاتلة خلال الاشتباكات التي اندلعت في تلك البلديتين، مما تسبب في تصاعد حدة الاشتباكات بين الجانبين ولم يترك للناس من خيار آخر سوى الفرار من منازلهم بحثا عن ملاذ آمن.

وشعب ميانمار، مثله مثل غيره من شعوب هذا العالم المعاصر، يتوق إلى العيش في بلد ديمقراطي ينعم بالسلام والازدهار. وتحقيقا لهذه الغاية، فإننا مصممون على إنهاء الحكم العسكري غير الشرعي واستعادة الديمقراطية. ومن ناحية أخرى، يبذل مواطنو بلدي في ميانمار حاليا قصارى جهدهم للدفاع عن حياتهم وحيوة الآخرين في مواجهة الأعمال الوحشية واللاإنسانية والجرائم ضد الإنسانية التي يرتكباها الجيش.

وكما ذكرتم عن حق، فإن الانقلاب العسكري غير مقبول في عالمنا المعاصر، ويجب أن يكون مآله الفشل. ولكن بغض النظر عن مدى قوة تصميم شعب ميانمار على إنهاء الدكتاتورية العسكرية واستعادة الديمقراطية في ميانمار، فإن جهوده وحدها لن تكفي لتحقيق ذلك في الوقت الذي يمتلك فيه الجيش ترسانة من الأسلحة الفتاكة.

وأمام كل هذه المعاناة التي يعيشها شعب ميانمار في ظل الأعمال الوحشية واللاإنسانية التي ترتكباها القوات العسكرية، من الملح للغاية أن يتخذ المجتمع الدولي تدابير جماعية فعالة لمنع وقوع أي جرائم محتملة ضد الإنسانية وتلافي نشوء أزمة إنسانية محتملة في المنطقة. وقد أصابت مفوضة الأمم المتحدة السامية لحقوق الإنسان إذ حذرت من أن ميانمار ماضية باتجاه "نزاع محتدم". وإنني إذ أشكر جميع البلدان التي فرضت جزاءات محددة الأهداف على النظام العسكري، يظل اتخاذ تدابير قوية وحاسمة وموحدة أمر ضروري ومطلوب على الفور. وعدم اتخاذ المجتمع الدولي هذه الإجراءات من شأنه أن يزيد من تشجيع الجيش على مواصلة ارتكاب أعماله اللاإنسانية والوحشية ضد المدنيين، وسيؤدي إلى مزيد من الخسائر في أرواح المدنيين الأبرياء في ميانمار.

وفي هذا الصدد، أود أن أؤكد مجددا الإرادة القوية لشعب ميانمار، الذي يقف على أهبة الاستعداد لدفع أي ثمن من أجل إزاحة العصبية العسكرية القاتلة عن سدة الحكم واستعادة الديمقراطية في ميانمار. ولذلك، أود أن أناشد المجتمع الدولي والأمم المتحدة مرة أخرى تطبيق مبدأ المسؤولية عن الحماية، واتخاذ إجراءات حاسمة دون مزيد من التأخير ضد الجيش لحماية شعب ميانمار من الجرائم ضد الإنسانية.

وأحيل طيه لعنايتكم الكريمة التقرير الأسبوعي بالمعلومات المستكملة عن الحالة الراهنة في ميانمار حتى 24 أيار/مايو 2021، وصحيفة بيانات المنظور القانوني المؤرخة 22 أيار/مايو 2021 (انظر المرفقين الأول والثاني)\*.

وأرجو ممتناً تعميم هذه الرسالة ومرفقيها باعتبارها وثيقة من وثائق الجمعية العامة، في إطار البندين 34 و 72 (ج) من جدول الأعمال، ومن وثائق مجلس الأمن.

## **Annex I to the letter dated 28 May 2021 from the Permanent Representative of Myanmar to the United Nations addressed to the Secretary-General**

### **Legal perspective information sheet 22 May 2021, Permanent Mission of Myanmar, New York**

#### **Preface**

The purpose of publishing this information sheet is to increase the awareness of people over the Crimes Against Humanity committed by the military junta terrorists on a daily basis and to keep record of their brutal acts for future reference and proceedings. Committed crimes are selectively stated in this information sheet due to space limitations.

#### **Arbitrary Detention and attacking Protesters**

On the morning of 13th May, in Nabule Region, Dawei Township in Tanintharyi Region, junta forces cracked down on protests, arresting four civilians who were not participating in the protests. This morning in Taunggyi Town, Shan State, the junta crackdown on protests and 4 youths were arrested. In Yangon, the junta brutally cracked down a protest in Yankin Township whereas the police chased the protesters with motorbikes and 7 youths were arrested despite their peaceful demonstration.

On 17th of May, in Tanintharyi Region, a protest in Dawei was violently cracked down by the junta forces using civilian vehicles and injured many protesters. In this crackdown, seven civilians were arrested and one was shot with a rubber bullet. Demonstrations were cracked down by brutal tactics and inhumane manners. In fact, demonstration is the only way for people to voice their opinions. The right to assembly and freedom of expression are fundamental rights laid down in the Article 19 of the Universal Declaration of Human Rights as “Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers”. Moreover the ASEAN Human Rights Declaration provides that every person has the right to freedom of opinion and expression, including freedom to hold opinions without interference and to seek, receive and impart information, whether orally, in writing or through any other medium of that person’s choice. In this regard, the military is clearly violating all the moral principles both regional and international.

#### **Torture and Murders**

On 15 May, in Kho Yaung Village, Tangyan Township, Shan State, the Hsipaw Township NLD parliamentary candidate Sai KanNyunt was beaten to death and his body was found with stab wounds. NLD members are continuously being persecuted on a daily basis. On 16th of May, junta forces opened fire in Tedim Town, Chin State and resulted 2 youths killed. In South Dagon Township, Yangon Region, the junta returned the rotting body of a man who was arrested on May 14. In order to get permission to cremate his body, medical papers had to be signed under the clause stating that the person die from pre-existing health conditions. His body was not only returned but baring many wounds on the body, severe bruises on the face, swollen mouth and broken teeth clearly demonstrated evidence of torture. The junta closely followed the funeral ensuring no photos were taken. Under junta control, children have also been severely oppressed. On the night of 18th May, in Bago City, Bago Region, two 14-year-old children and an 18-year-old young man were brutally beaten and arrested. According to AAPP’s documentation, a total of 73 under-aged children

have been detained and 53 have been killed. On 19 May, in Taungdwingyi Township, Magway Region, a former village administrator, and five other villagers were arrested, beaten and interrogated by junta forces. The village administrator was left dead, and the other five civilians sustained serious injuries. The Universal Declaration of the Human Rights provides that everyone has the right to life, liberty and security of person and prohibit torture or to cruel, inhuman or degrading treatment or punishment in Article (3) and (5) respectively. Moreover the detainees do not get the right to defend before the martial court and are sentenced to death and lifetime imprisonment without solid evidences and legal grounds.

## **War Crimes**

### **Mindat**

The clashes between the military and the Mindat People's Defence Force have resumed in Mindat Town, Chin State, where the junta has been shelling the town with heavy artillery, attacking by helicopters, Fighter Jets and China made unmanned vehicles drones. In addition, the junta brought in nearly a thousand more troops and repeatedly fired heavy artillery shells. The junta troops entered the town and opened fire on civilians. Civilians were injured including children and have not been able to get medical treatment. More than 15 youths were taken as hostage and used as human shields when the junta came into the city. They were arresting all the men in Mindat Township. Not only the doors of houses were being broken into, but people were also beaten in the houses and arrested. Their actions had resulted in the death of a member of the Mindat People's Defense Force, and injury to four other civilians on 15 May. A 10 year-old girl who was hiding inside a house was also shot on 17 May by the junta troops. Houses and shops have been heavily damaged by the junta troops' heavy artillery and raids. Since 18 May, junta started cutting of water supply to Mindat and blockade all the entrances to Mindat in order to stop food and water supply from donors.

### **Talope**

On 12th May, in Talote Town, Myingyan Township in Mandalay Region, a Technology College student, who was shot and detained whilst defending against the military, died at the interrogation center. Interrogation under this terrorist regime is known to be notorious. So it is assumed that the student died after being tortured, and from a lack of medical attention after his gunshot wound.

Resistance against the junta is accelerating by the People's Defense Forces around the country. The junta had been using all illegal means to suppress the resistances. Since not all the inhabitants are not directly taking part in the hostilities, the belligerent parties must refrain from attacking civilian objects and avoid using strategy that could harm the civilian population. The international law is prohibited to execute any acts which cut off supplies that would prevent heeding basic need of population who were not directly taking part in the hostilities.

There is a practice which recognizes that a civilian population in need is entitled to receive humanitarian relief essential to its survival, in accordance with international humanitarian law. The Fourth Geneva Convention recognizes the right of protected persons and the Additional Protocols implicitly recognizes the entitlement of a civilian population in need to receive humanitarian relief as they require that relief actions "shall be undertaken" whenever a population is in need.

### **The Junta's Irrational Acts**

**Destroying private properties:** On 16 May 2021, the security forces raided the IELTS English training school in Muse Township in Shan State to find a wanted individual. As they could not find the warranted person, they destroyed materials inside the school. On 17 May 2021, junta troops stormed local shops and threatened to shoot the owners in Ka Myaing village, Thayet Chaung Township in Tanintharyi Region.

**Taking hostages:** Lately, the junta forces is taking family members of the individuals in the warrant lists as hostages to arrest those individuals more frequently. ### **The Junta's Crackdowns against protests**

In addition to the protests on the streets, civilians perform different strikes including Flash strike, turn off light strike, tea shop strike, artist strike, etc. and posted on social media.

### **Clashes between the military forces and People's Defense Force (PDF)**

Following massive raids in Mindat Town on 16 May, the junta terrorists used heavy artillery and live ammunition across Mindat Town at that night. As similar engagement occurred on 17 May 2021, where the junta group fired heavy artillery, mortar shells and bombed into residential areas. The houses across the town were destroyed and a 10-year-old girl who was hiding inside a house was shot and remains in a critical condition. According to the news, junta troops have been violently damaging houses and shops, and looting goods. In addition to this, displaced civilians who have been hiding in the jungles are in desperate need of food, shelter, and medical supplies.

On 17 May, at night, the junta forces cut off the supply of drinking water in Mindat Township, Chin State. It was followed by cutting off electricity and telephone lines. By cutting off these facilities to the town, as the military tactics, the junta tried to make the locals become weaker and unable to regroup and resist. It is unacceptable on the humanitarian ground and pushes the people at extremely vulnerable situation.

On 21 May 2021, a clash occurred between the military and Chin Defense Force (CDF-Mindat) at BueKunn Village in Mindat Township Chin State.

Amongst the regions that are fighting back against the junta, Chin State is the one which is most targeted by these terrorists. Chin state has faced heavy attacks and severe repression by the junta. Fighting continues between the Chin National Defense Force (CNDF) and the junta. Although the weapons and forces of both sides are not equal, people are defending themselves against terrorism and atrocities of the junta with anything they can use as a weapon.

In Kanpetlet town, junta troops camped out at school and police station, forcing almost the entire town to flee. Junta troops raided Loklung village, close to Hakha Town, again forcing the entire village to flee. These civilians remain on the run.

In the evening of 16 May, in Hakha township, Chin state, there was a clash between the Chin State Defense Force (Hakha) (CDF-Hakha), and the junta terrorists.

On the same day, in addition to the sanctions previously imposed, the UK also announced sanctions on Myanmar Gems Enterprise (MGE), a state-owned enterprise under the military.

Aligning with the actions of the U.S and UK, Canada imposed additional sanctions against 16 individuals and 10 entities under the Special Economic Measures (Burma) Regulations.

On 21 May 2021, a joint statement by Save the Children, UNESCO and UNICEF alarmed that Education in Myanmar is at risk as over 12 millions of Children and young people have not had access to learning for more than a year, and called for safe environment for children to continue their learning.

On 23 May 2021, in response to the announcement of the military-appointed Chairman which the Union Election Commission (UEC) may dissolve the National League for Democracy (NLD), the European Union (EU) stated that the proposal of UEC would show the junta's blatant disrespect for the will of the people of Myanmar. The EU also reiterated that the Myanmar General Election held in November 2020 represented the will of the people, and will continue to denounce all the attempts to overturn the will of the people.
