FIRST REGULAR SESSION OF 1981
New York, 14 April-8 May 1981

ECONOMIC AND SOCIAL COUNCIL

OFFICIAL RECORDS, 1981

SUPPLEMENT No. 1

UNITED NATIONS
New York, 1981
NOTE

The resolutions and decisions of the Economic and Social Council are identified as follows:

Resolutions

Until 1977 (up to and including the resumed sixty-third session), the resolutions of the Economic and Social Council were numbered consecutively and were identified by an Arabic numeral followed by an indication of the session in parentheses (for example: resolution 1733 (LIV), resolution 1915 (ORG-75), resolution 2046 (S-III), adopted at the fifty-fourth session, the organizational session for 1975 and the third special session, respectively). When several resolutions were adopted under the same number, each of them was identified by a capital letter (for example: resolution 1926 B (LVI), resolutions 1954 A to D (LIX)). The last resolution so numbered is resolution 2130 (LXIII), of 14 December 1977.

Since 1978, as part of the new system adopted for symbols of Council documents, the resolutions are numbered on a yearly basis and are identified by two Arabic numerals separated by an oblique stroke, the first numeral indicating the year, the second the number of the resolution in the annual series (for example: resolution 1978/36).

Decisions

Until 1973 (up to and including the resumed fifty-fifth session), the decisions of the Council were not numbered. From 1974 to 1977 (up to and including the resumed sixty-third session), the decisions were numbered consecutively and were identified by an Arabic numeral followed by an indication of the session in parentheses (for example: decision 64 (ORG-75), decision 78 (LVIII), adopted at the organizational session for 1975 and the fifty-eighth session, respectively). The last decision so numbered is decision 293 (LXIII), of 2 December 1977.

Since 1978, as part of the new system adopted for symbols of Council documents, the decisions are numbered on a yearly basis and are identified by two Arabic numerals separated by an oblique stroke, the first numeral indicating the year, the second the number of the decision in the annual series (for example: decision 1978/41).

In 1981, the resolutions and decisions adopted by the Council are published in three supplements to the Official Records of the Economic and Social Council, 1981, as follows:

Supplement No. 1 (organizational session for 1981 and first regular session of 1981);
Supplement No. 1A (second regular session of 1981);
Supplement No. 1B (resumed second regular session of 1981).

RESOLUTIONS
FIRST REGULAR SESSION OF 1981

1981/1. 1983 World Programme of Industrial Statistics

The Economic and Social Council,
Taking note of the report of the Statistical Commission on its twenty-first session1 with reference to its strong endorsement of the 1983 World Programme of Industrial Statistics and of the emphasis it placed on the need for the Statistical Office, the regional commissions and other interested organizations to take an active role in promoting the participation of the developing countries in the Programme,
Recalling that the Statistical Commission endorsed the concept of the Programme at its twentieth session,2 at which it also requested the Secretary-General to encourage regional commissions to organize working groups to consider the recommendations for the Programme as a means of advancing their implementation at the country level,
Recalling further that the Second General Conference of the United Nations Industrial Development Organization, held at Lima from 12 to 26 March 1975, adopted the Lima Declaration and Plan of Action on Industrial Development and Co-operation,3 in which both developing and developed countries were called upon to take specific measures to create conditions conducive to the industrial growth of the developing countries in keeping with the spirit embodied in the new international economic order, and to provide periodic reports on the actions taken and progress achieved,
Noting that, in accordance with the Statistical Commission’s endorsement, the Statistical Office is publishing and distributing to countries the final version of the recommendations for the Programme,
Noting that the limited success of past programmes in this field has been primarily attributed to the lack of technical assistance support services for the developing countries,
1. Reconfirms the value and importance of the principles of the 1983 World Programme of Industrial Statistics as a means of accelerating the development of industrial statistics programmes in developing countries to provide reliable and timely information on their progress in industrialization;
2. Recommends that provision should be made for technical assistance to permit developing countries to participate in the Programme and urges the multilateral and bilateral agencies to provide resources, within the framework of their technical co-operation activities, to help developing countries implement their plans for the Programme;
3. Strongly urges that all countries should compile basic data on industry for 1983 or a year close to 1983, taking into account as far as possible the international recommendations on this subject, and recommends that developing countries should avail themselves of technical co-operation wherever necessary in order to complete the Programme successfully;
4. Requests the Secretary-General, in close cooperation with the regional commissions, the specialized agencies, the United Nations Industrial Development Organization and other multilateral and bilateral agencies, to co-ordinate technical co-operation activities in support of the Programme;
5. Further requests the Secretary-General, in collaboration with the above-mentioned organizations, to submit a progress report to the Statistical Commission at its twenty-second session.
13th plenary meeting
4 May 1981

1981/2. International energy statistics

The Economic and Social Council,
Recognizing the importance of energy in the International Development Strategy for the Third United Nations Development Decade, adopted by the General Assembly on 5 December 1980,4
Recalling paragraph 4 (f) of General Assembly resolution 33/148 of 20 December 1978, in which the Assembly stressed the importance of the promotion of adequate information flows regarding all aspects of new and renewable sources of energy, especially to the developing countries,
Recalling its resolution 2054 (LXII) of 5 May 1977, by which it recognized the crucial role played by training in the over-all development of statistical services of Member States which are developing countries and expressed concern that, because of the lack of necessary financial and personnel resources, many developing countries, particularly the least developed, are unable on their own to set up and maintain an effective vehicle to train all levels of statisticians,
Recalling also its resolution 1978/61 of 3 August 1978, in which it expressed cognizance of the importance of ensuring the availability of new and renewable sources of energy in order to meet requirements for continued economic and social development, particularly in the developing countries, and aware of the importance of a statistical base as an integral part of planning,
Recalling further that the Statistical Commission at its twentieth session recognized that energy statistics remained an important field that continued to require further urgent consideration, co-operation and harmonization by all central statistical offices and relevant agencies,5

2 Ibid., 1979, Supplement No. 3 (E/1979/23), para. 13.
3 See A/10112, chap. IV.
4 See General Assembly resolution 35/56, annex, paras. 34, 35, 126 and 127.
Bearing in mind that the Committee on Natural Resources has endorsed the suggestion for setting up clearing-houses of relevant energy-related information at the national, regional and international levels and for working out procedures for sharing the information from such clearing-houses,  

Aware of important gaps in energy statistics, such as the lack of comprehensive data on non-commercial fuels, information on prices, costs, value added and investment data of energy commodities,  

1. Strongly urges the Governments of developing countries to participate in a programme of development of national statistics according to international guidelines and to request technical assistance if and when necessary to carry out that important undertaking;  

2. Requests the Secretary-General to accord priority to the development of new statistical series in fields where insufficient information is now available and to improve the timeliness, level of detail and accuracy of the statistics currently collected and disseminated;  

3. Requests the Secretary-General, in close cooperation with the regional commissions, the specialized agencies, the United Nations Development Programme and other interested organs to strengthen and co-ordinate activities in support of energy statistics;  

4. Further requests the Secretary-General to submit a progress report to the Statistical Commission at its twenty-second session.  

13th plenary meeting  
4 May 1981

The Economic and Social Council,  

Recognizing the importance of the work of the Committee of Experts on the Transport of Dangerous Goods on the harmonization of codes and regulations relating to the transport of dangerous goods and on the question of an international convention on the transport of dangerous goods,  

Noting the programme of work for the period 1981-1983 proposed by the Committee of Experts on the Transport of Dangerous Goods in paragraphs 199 to 212 of the report on its eleventh session, and noting the report of the Secretary-General bringing to the attention of the Council the report of the Committee of Experts,  

1. Takes note with satisfaction of the work of the Committee of Experts on the Transport of Dangerous Goods;  

2. Takes note of the recommendations contained in the report of the Committee of Experts on the Transport of Dangerous Goods on its eleventh session respecting the listing, classification, packaging and transport of additional products, and other matters amending its recommendations;  

3. Takes note with interest of the recommendation of the Committee of Experts to postpone at this time further consideration of the question of a multimodal world-wide convention on the transport of dangerous goods;  

4. Notes with satisfaction the expression of appreciation of the Committee of Experts concerning the support it has received from the Economic Commission for Europe at Geneva during the past nineteen years;  

5. Takes note of the Committee of Experts' desire for improved administrative and secretarial support for its activities;  

6. Requests the Secretary-General, in the light of the contents of the report of the Committee of Experts:  

(a) To incorporate in the revised recommendations prepared by the Committee of Experts the amendments set forth in the reports of the Committee of Experts on its tenth and eleventh sessions, together with the consequential changes necessary to eliminate inconsistencies;  

(b) To publish the recommendations as soon as possible, without financial implications for the programme budget for 1980-1981, as decided by the General Assembly at its thirty-fourth session;  

(c) To circulate the recommendations as soon as possible to the Governments of Member States, the specialized agencies, the International Atomic Energy Agency and other international organizations concerned;  

(d) To work closely with the Committee of Experts and the Economic Commission for Europe in improving administrative and secretarial support, both for the Committee's meetings and the regular publication of its recommendations;  

7. Invites the Governments of Member States, the specialized agencies, the International Atomic Energy Agency and other international organizations concerned to transmit to the Secretary-General such comments as they may wish to make on the amended recommendations;

8. Calls upon the Commission for Social Development at its twenty-eighth session to make its contribution to the review and appraisal of the International Development Strategy for the Third United Nations Development Decade;

9. Further endorses the view of the Ad Hoc Working Group that the Centre for Social Development and Humanitarian Affairs, in order to make its appropriate contribution to the work of the United Nations system in the area of social aspects of development for the fulfilment of over-all development objectives should, at the same time as it pursues its group-specific mandates, intensify its efforts, in co-operation with other elements of the United Nations system concerned, to pay special attention, inter alia, to popular participation, local-level action and social welfare policies;

10. Aware that women, like men, participate in the economic, social and cultural development of their country, although too frequently in a subordinate capacity,

Noting with satisfaction the role given to population factors in the International Development Strategy for the Third United Nations Development Decade, 44 which declares that population policies will be considered as an integral part of over-all development policies and that all countries will continue to integrate their population measures and programmes into their social and economic goals and strategies,

Also noting with satisfaction resolution 1 of the World Conference of the United Nations Decade for Women: Equality, Development and Peace, 45 in which the Conference called upon Governments to take all appropriate measures to provide information, education and means to enable women and men to exercise freely the right to determine their family size and to set aside an appropriate proportion of their resources for population programmes,

Emphasizing the important role of technical cooperation in implementing the World Population Plan of Action,

Taking note of the report of the Secretary-General on monitoring of population trends, 47 which shows that, although there has been some decline in the rate of growth of the world's population, there are indications that some developing countries are not succeeding in reducing infant and general mortality to the levels set out in the World Population Plan of Action and that,

although there have been significant declines in fertility in some countries, there have been relatively slight or no such declines in some less developed countries and that others have increased their rate of population growth.

Conscious of the magnitude and urgency of the tasks remaining,

1. 4. Urges international organizations, including the United Nations Fund for Population Activities and the World Health Organization, and Governments to give high priority to research on human reproduction and the development of more acceptable, safer, and more effective means of fertility regulation, to promote the establishment of projects in which research workers in developed and less developed countries would cooperate fully in such research and to emphasize to public and private donors the great importance of such research;

1981/30. Implementation of the Programme for the Decade for Action to Combat Racism and Racial Discrimination

The Economic and Social Council.

Recalling General Assembly resolution 3057 (XXVIII) of 2 November 1973, in which the Assembly proclaimed the Decade for Action to Combat Racism and Racial Discrimination and approved the Programme for the Decade,

Recalling also the other relevant General Assembly resolutions, particularly resolution 34/24 of 15 November 1979, in which the Assembly adopted the four-year programme of activities designed to accelerate progress in the implementation of the Programme for the Decade,

Bearing in mind General Assembly resolution 35/33 of 14 November 1980, in which the Assembly decided to hold in 1983, as an important event of the Decade, a second world conference to combat racism and racial discrimination and invited the Economic and Social Council to begin the preparatory work for the conference at its first regular session of 1981,

Convinced that effective implementation of the Programme for the Decade will help to promote and encourage respect for human rights and fundamental freedoms for all, without distinction as to race, colour, descent or national or ethnic origin,

Recalling its resolution 1980/7 of 24 April 1980,

1. Takes note with satisfaction of the report of the Secretary-General submitted in accordance with General Assembly resolution 3057 (XXVIII); 49

2. Recommends to the General Assembly the adoption of the following draft resolution:

   "The General Assembly,

   "Reaffirming its resolve to bring about the total and unconditional eradication of racism, racial discrimination and apartheid, which still represent serious obstacles to further progress and to the strengthening of international peace and security,

   "Recalling that, in its resolution 3057 (XXVIII) of 2 November 1973 and in the Programme for the Decade for Action to Combat Racism and Racial Discrimination annexed thereto, and in other relevant resolutions, it called upon all peoples, Governments and institutions to continue their efforts to eradicate racism, racial discrimination and apartheid and thus to promote respect for human rights and fundamental freedoms for all, without distinction as to race, colour, descent or national or ethnic origin,

   "Taking into account the Declaration and the Programme of Action adopted by the World Conference to Combat Racism and Racial Discrimination, 50

   "Recalling that, in the programme of activities to be undertaken during the second half of the Decade for Action to Combat Racism and Racial Discrimination contained in the annex to its resolution 34/24 of 15 November 1979, it called upon all States, United Nations organs and intergovernmental and non-governmental organizations to intensify their efforts to achieve the speediest attainment of the objectives of the Decade, aimed at the complete and final elimination of all forms of racism and racial discrimination,

   "Bearing in mind the resounding victory of the people of Zimbabwe, achieved as a result of the struggle which it waged for the reconquest of its sovereignty and independence against the racist colonial regime which was oppressing it,

   "Expressing, however, its serious concern at the situation prevailing in South Africa and throughout southern Africa as a result of the policies and actions of the apartheid regime, particularly its efforts to perpetuate and strengthen racist domination of the country, its policy of 'bantustanization', its brutal repression of opponents of apartheid and its renewed acts of aggression against neighbouring States,

"Reaffirming that apartheid is a crime against humanity,
Particularly concerned at the persistence of the illegal occupation of Namibia by the racist minority regime of South Africa,
Disappointed that the talks between the United Nations and the South African racist and illegal occupation regime aimed at reaching a negotiated settlement of the question of Namibia have thus far failed because of the bad faith of that regime,
Reaffirming that any collaboration with the racist régime of South Africa constitutes a hostile act against the oppressed people of South Africa and a contemptuous defiance of the United Nations and the international community,
Considering that such collaboration strengthens the racist regime, encourages it to persist in its repressive and aggressive policy and seriously aggravates the situation in Southern Africa, thus constituting a threat to international peace and security,
"Seriously concerned at the fact that the principal Western and other trading partners of South Africa are continuing to collaborate with the racist régime and that their collaboration constitutes the main obstacle to the abolition of that régime and the elimination of the inhuman and criminal system of apartheid,
"Alarmed by the persistent collaboration by certain Western States and Israel with the racist régime of South Africa,
"Aware of the constant need to mobilize public opinion against any political, military, economic and other assistance granted to the racist régime of South Africa,
Aware of the need to promote solutions to the problems of discrimination facing migrant workers and their families,
Recalling its resolution 35/33 of 14 November 1980, in which it decided to hold in 1983 a second world conference to combat racism and racial discrimination, which, while reviewing and assessing the activities undertaken during the Decade, should have as its main purpose the formulation of ways and means and of specific measures aimed at ensuring the full and universal implementation of United Nations decisions and resolutions on racism, racial discrimination and apartheid,
Stressing the importance of attaining the objectives of the Decade,
Convinced that the Second World Conference to Combat Racism and Racial Discrimination will make a useful and constructive contribution to the attainment of those objectives,
Proclaims that the elimination of all forms of racism and of discrimination based on race and the attainment of the objectives of the Programme for the Decade for Action to Combat Racism and Racial Discrimination and of the programme of activities to be undertaken during the second half of the Decade are matters of high priority for the international community and, therefore, for the United Nations,
Strongly condemns the policies of apartheid, racism and racial discrimination pursued in southern Africa, all occupied Arab territories and elsewhere, including the denial of the right of peoples to self-determination and independence,
Reaffirms its strong support for the national liberation struggle against racism, racial discrimination, apartheid, colonialism and foreign domination and for self-determination by all available means, including armed struggle;
Reaffirms the inalienable rights of the Namibian people to self-determination and independence;
Vigorously condemns the repeated acts of aggression committed by South Africa against neighbouring States, particularly against Angola, Botswana, Mozambique and Zambia;
Expresses its profound solidarity with the front-line States which are victims of the racist aggression and destabilization attempts of the Pretoria régime;
Once again invites all Member States, United Nations organs, specialized agencies, intergovernmental organizations, national liberation movements, anti-apartheid and anti-racist organizations and other solidarity groups to strengthen and enlarge the scope of their activities in support of the objectives of the Programme for the Decade;
Again requests the Security Council to consider, as a matter of urgency, the imposition of full mandatory sanctions under Chapter VII of the Charter of the United Nations against the racist régime of South Africa, including, in particular, an embargo on the delivery of oil and oil products to South Africa and the strengthening of the embargo on arms, with a view to putting an end to all military and nuclear collaboration with South Africa;
Approves the Declaration of the International Seminar on the Implementation and Reinforcement of the Arms Embargo against South Africa, which was held in London from 1 to 3 April 1981 under the auspices of the Special Committee against Apartheid;
Vigorously condemns the collaboration of certain Western countries, Israel and other States and of transnational corporations and other organizations, which are maintaining or continuing to increase their collaboration with the racist régime of South Africa, particularly in the political, economic, military and nuclear fields, thereby encouraging that régime to persist in its inhuman and criminal policy of brutal oppression of the peoples of southern Africa and its denial of human rights;
Invites once again upon all Governments which have not yet done so to take legislative, administrative and other measures in respect of their nationals and the bodies corporate under their jurisdiction that own enterprises in southern Africa in order to put an end to such enterprises;
Calls upon all States to adopt, as a matter of high priority, measures declaring punishable by law any dissemination of ideas based on racial superiority or hatred and outlawing organizations based on racial hatred and prejudice, including neo-Nazi and Fascist organizations and private clubs and institutions established on the basis of racial criteria or propagating ideas of racial discrimination and apartheid;
Invites Member States, the organs and bodies of the United Nations system and the specialized agencies to continue their efforts with a view to the protection of the rights of all migrant workers and their families;
Takes note of the progress made by the Economic and Social Council at its first regular session of 1981 in connexion with the preparatory work

51 A/36/190-S/14442, annex.
for the Second World Conference to Combat Racism and Racial Discrimination;

"15. Decides that the Preparatory Sub-Committee for the Second World Conference to Combat Racism and Racial Discrimination, established by the President of the Economic and Social Council in accordance with Council decision 1981/130 of 6 May 1981, shall hold its first session in New York during the first quarter of 1982, for a period of two weeks, and shall report to the Council at its first regular session of 1982, the Council being the Preparatory Committee for the Conference;

"16. Requests the Secretary-General to provide the Preparatory Sub-Committee with all necessary assistance;

"17. Further requests the Secretary-General to appoint, after consultation with the regional groups, in 1982, a Secretary-General for the Second World Conference to Combat Racism and Racial Discrimination, who shall have the rank of Assistant Secretary-General and shall be responsible for the organization of the Conference and co-ordination with Member States, organs and bodies of the United Nations, specialized agencies and intergovernmental and non-governmental organizations;

"18. Invites Member States to continue to cooperate with the Secretary-General as part of the Programme for the Decade and the preparations for the Conference;

"19. Invites the appropriate organs and bodies of the United Nations system to contribute to the preparations for the Conference;

"20. Expresses its satisfaction to the Committee on the Elimination of Racial Discrimination, the Special Committee against Apartheid, the United Nations Council for Namibia, the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, the Committee on the Exercise of the Inalienable Rights of the Palestinian People and the Commission on Human Rights, through its Ad Hoc Working Group of Experts on Southern Africa, for their contribution to the implementation of the Programme for the Decade and invites them to include in their activities the preparations for the Conference;

"21. Decides to consider at its thirty-seventh session the status of preparations for the Second World Conference to Combat Racism and Racial Discrimination;

"22. Decides to consider at its thirty-seventh session, as a matter of high priority, the item entitled 'Implementation of the Programme for the Decade to Combat Racism and Racial Discrimination'."

(c) Further requested the Secretary-General, in co-operation with the High Commissioner, to arrange for the report of the review mission to be circulated as soon as issued, so that the international community might have an updated report on the condition of the refugees in Somalia and an assessment of their over-all needs, including measures for strengthening the social and economic infrastructure of the country,

Taking note of the report of the United Nations review mission, which visited Somalia from 11 to 18 January 1981, providing up-to-date information on the condition of the growing refugee population in Somalia and an assessment of their over-all needs,

Noting the appeal issued by the Secretary-General on 11 March 1981 for urgent international assistance to help the Government of Somalia to provide the necessary care and attention to the refugees,

Recognizing the heavy burden placed on the Government of Somalia in caring for the refugees and the need for international assistance to share that burden,

2. Commends the Secretary-General for taking steps to promote continued and concerted international action to assist the Government of Somalia to provide relief aid for the refugees;

1981/32. Assistance to displaced persons in Ethiopia

The Economic and Social Council,

Recalling General Assembly resolution 35/183 of 15 December 1980, in which the Assembly called for international assistance to alleviate the plight of displaced persons in Ethiopia,

Having heard the statement by the Commissioner for Relief and Rehabilitation of Ethiopia on 24 April 1981, outlining the grave situation of displaced persons and the difficulties encountered by his Government in providing relief and rehabilitation to millions of displaced persons in Ethiopia;

Having also heard the oral report of the representative of the Secretary-General on assistance to displaced persons in Ethiopia, presented pursuant to General Assembly resolution 35/183,

Taking note of the appeal of the Secretary-General in his note verbale of 11 November 1980,

Noting with regret that the response to the appeal of the Secretary-General for providing generous assistance to alleviate the suffering of displaced persons in Ethiopia has been inadequate,

Noting further the extreme difficulties encountered by the Government of Ethiopia in providing relief and rehabilitation to several millions of its citizens who are victims of both man-made and natural disasters, as well as to the voluntary returnees,

Recognizing the need for urgent and continued humanitarian assistance to save the lives and alleviate the plight of displaced persons in Ethiopia,

1. Takes note of the oral report presented by the representative of the Secretary-General on assistance to displaced persons in Ethiopia;

2. Reaffirms its appeal and that of the Secretary-General to Member States, intergovernmental and non-governmental organizations and voluntary agencies to assist the Government of Ethiopia in its efforts to provide relief and rehabilitation to the displaced persons in that country;

5. Requests the Secretary-General and the United Nations High Commissioner for Refugees to continue their efforts to mobilize humanitarian assistance for the relief and rehabilitation of displaced persons and voluntary returnees;

1981/33. Assistance to the drought-stricken areas of Ethiopia

The Economic and Social Council,

Recalling General Assembly resolution 35/91 of 15 December 1980, in which the Assembly, inter alia, requested the Secretary-General to report to the Economic and Social Council on the implementation of the relevant resolutions of the Assembly and the Council on assistance to the drought-stricken areas of Ethiopia,

Having heard the oral report of the Secretary-General, presented by the United Nations Disaster Relief Co-ordinator on 24 April 1981, outlining the substantial assistance requirements for the year 1981,56

Noting with concern the statement of the Commissioner for Relief and Rehabilitation of Ethiopia underlining the grave situation facing the people of the drought-affected areas and the urgent assistance required to provide them with relief and rehabilitation,56

Noting further the call made by the multi-donor mission, the interagency mission and the United Nations Co-ordinating Committee for Relief and Rehabilitation for generous and urgent assistance to the people in the drought-stricken areas of Ethiopia.

Noting with appreciation the continued efforts in this regard of the Office of the United Nations Disaster Relief Co-ordinator, the United Nations Development Programme, the United Nations Children's Fund, the Food and Agriculture Organization of the United Nations and the World Food Programme, as well as other intergovernmental and non-governmental organizations and voluntary agencies,

Recalling also that, despite the assistance offered to the Government of Ethiopia by Member States, organizations within the United Nations system and voluntary agencies, enormous difficulties still persist in the rehabilitation and recovery efforts,

1981/34. Inclusion of Guinea-Bissau in the list of the least developed countries

The Economic and Social Council,

Bearing in mind its decision 1980/161 of 24 July 1980, in which it requested the Committee for Development Planning to expedite the review of the economic situation of Djibouti, Equatorial Guinea, Guinea-Bissau, Sao Tome and Principe, Seychelles, Tonga and certain newly independent developing countries, with a view to their inclusion in the list of the least developed countries, and to make recommendations concerning those countries to the Council at its first regular session of 1981,

Recalling General Assembly resolution 35/106 of 5 December 1980, in which the Assembly decided to authorize the Economic and Social Council to consider, at its first regular session of 1981, the recommendations of the Committee for Development Planning on the above-mentioned countries and, accordingly, to add any of those countries to the list of the least developed countries on the basis of existing criteria and the most recent data relating to the above-mentioned countries, and in which the Assembly further decided that that exercise should be without prejudice to any future overall review of the list of the least developed countries which might be authorized a later date by the Assembly in accordance with established procedures,

Taking note of chapter IV of the report of the Committee for Development Planning on its seventeenth session and statements made in the Council in this regard,

Decides to add Guinea-Bissau to the list of the least developed countries.

1981/35. Measures to improve the situation and ensure the human rights and dignity of all migrant workers and their families

The Economic and Social Council,

Mindful of the need for international co-operation in solving international problems of an economic, social, intellectual or humanitarian nature and in developing and encouraging respect for human rights and fundamental freedoms for all, without distinction as to race, sex, language or religion,

Recalling in that regard the provisions of the Universal Declaration of Human Rights,58 of the International Convention on the Elimination of All Forms of Racial Discrimination59 and of the International Covenants on Human Rights,60

Mindful of the contribution made by migrant workers to the economic growth and the social and cultural development of the host countries,

Noting, in particular, that the problems of migrant workers, which are becoming more serious in some regions for political and economic reasons and for social and cultural reasons, constitute a matter of grave concern and continue to be of the greatest importance to certain countries,

Mindful of the important contribution made by the International Labour Organisation in the protection of the rights of all migrant workers,

Appreciating also the efforts of the United Nations Educational, Scientific and Cultural Organization in matters relating to migrant workers,

Deeply concerned at the fact that, despite the general effort made by Member States, regional intergovernmental organizations and various United Nations bodies, migrant workers are still unable fully to exercise their rights in the social field and in the labour field as defined in the Universal Declaration of Human Rights,

Emphasizing, therefore, the efforts that must still be made effectively to protect the rights of all migrant workers and their families and to improve their living conditions,

Recalling its resolution 1980/16 of 30 April 1980,

1. Welcomes the fact that the Working Group on the Drafting of an International Convention on the Protection of the Rights of All Migrant Workers and Their Families, established in pursuance of General Assembly resolution 34/172 of 17 December 1979, began its work during the thirty-fifth session of the Assembly;

2. Expresses its conviction that the drafting of that convention will further facilitate the exchanges of views needed for protecting the human rights and improving the situation of migrant workers and their families;

3. Expresses the hope that substantial progress will be made by the Working Group during the intersessional meeting to be held in May 1981 in accordance with General Assembly resolution 35/198 of 15 December 1980, so that the Working Group may fully discharge its mandate and complete the drafting of the

1981/36. Draft Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief

The Economic and Social Council,

Recalling General Assembly resolution 3267 (XXIX) of 10 December 1974, in which the Assembly requested the Commission on Human Rights to submit, through the Economic and Social Council, to the Assembly a single draft Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief,

Expressing its appreciation to the Commission on Human Rights for having concluded the elaboration of a draft Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief,

Recommends to the General Assembly that it should consider the draft Declaration annexed to the present resolution with a view to adopting and solemnly proclaiming it, at its thirty-sixth session, as the United Nations Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief.

18th plenary meeting 8 May 1981

ANNEX

Draft Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief

PREAMBLE

The General Assembly,

Considering that one of the basic principles of the Charter of the United Nations is that of the dignity and equality inherent in all human beings, and that all Member States have pledged themselves to take joint and separate action in co-operation with the Organization to promote and encourage universal respect for and observance of human rights and fundamental freedoms for all, without distinction as to race, sex, language or religion,

Considering that the Universal Declaration of Human Rights62 and the International Covenants on Human Rights63 proclaim the principles of non-discrimination and equality before the law and the right to freedom of thought, conscience, religion and belief, including the right to choose, manifest and change one’s religion or belief.

Considering that the disregard and infringement of human rights and fundamental freedoms, in particular the right to freedom of thought, conscience, religion or belief, have brought, directly or indirectly, wars and great suffering to mankind, especially where they serve as a means of foreign interference in the internal affairs of other States and amount to kindling hatred between peoples and nations.

Considering that religion or belief, for anyone who professes either, is one of the fundamental elements in his conception of life and that freedom of religion or belief should be fully respected and guaranteed.

Considering that it is essential to promote understanding, tolerance and respect in matters relating to freedom of religion and belief and to ensure that the use of religion or belief for ends inconsistent with the

62 General Assembly resolution 217 A (III).
63 See General Assembly resolution 2200 A (XXI), annex.

Charter of the United Nations, other relevant instruments of the United Nations and the purposes and principles of the present Declaration is inadmissible.

Convinced that freedom of religion and belief should also contribute to the attainment of the goals of world peace, social justice and friendship among peoples and to the elimination of ideologies or practices of colonialism and racial discrimination,

Noting with satisfaction the adoption of several, and the coming into force of some, conventions under the aegis of the United Nations and of the specialized agencies, for the elimination of various forms of discrimination,

Concerned by manifestations of intolerance and by the existence of discrimination in matters of religion or belief still in evidence in some areas of the world,

Resolved to adopt all necessary measures for the speedy elimination of such intolerance in all its forms and manifestations and to prevent and combat discrimination on the ground of religion or belief.

Proclaims this Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief:

Article I

1. Everyone shall have the right to freedom of thought, conscience and religion. This right shall include freedom to have or to adopt a religion or belief of his choice, and freedom, either individually or in community with others and in public or private, to manifest his religion or belief in worship, observance, practice and teaching.

2. No one shall be subject to coercion which would impair his freedom to have or to adopt a religion or belief of his choice.

3. Freedom to manifest one's religion or beliefs may be subject only to such limitations as are prescribed by law and are necessary to protect public safety, order, health or morals or the fundamental rights and freedoms of others.

Article II

1. No one shall be subject to discrimination by any State, institution, group of persons or person on grounds of religion or other beliefs.

2. For the purposes of the present Declaration, the expression "intolerance and discrimination based on religion or belief" means any distinction, exclusion, restriction or preference based on religion or belief and having as its purpose or as its effect nullification or impairment of the recognition, enjoyment or exercise of human rights and fundamental freedoms on an equal basis.

Discrimination between human beings on grounds of religion or belief constitutes an affront to human dignity and a disavowal of the principles of the Charter of the United Nations, and shall be condemned as a violation of the human rights and fundamental freedoms proclaimed in the Universal Declaration of Human Rights and enunciated in detail in the International Covenants on Human Rights, and as an obstacle to friendly and peaceful relations between nations.

Article IV

1. All States shall take effective measures to prevent and eliminate discrimination on the grounds of religion or belief in the recognition, exercise and enjoyment of human rights and fundamental freedoms in all fields of civil, economic, political, social and cultural life.

2. All States shall make all efforts to enact or rescind legislation where necessary to prohibit any such discrimination, and to take all appropriate measures to combat intolerance on the grounds of religion or other beliefs in this matter.

Article V

1. The parents or, as the case may be, the legal guardians of the child have the right to organize the life within the family in accordance with their religion or belief and bearing in mind the moral education in which they believe the child should be brought up.

2. Every child shall enjoy the right to have access to education in the matter of religion or belief in accordance with the wishes of his parents or, as the case may be, legal guardians, and shall not be compelled to receive teaching on religion or belief against the wishes of his parents or legal guardians, the best interests of the child being the guiding principle.

3. The child shall be protected from any form of discrimination on the ground of religion or belief. He shall be brought up in a spirit of understanding, tolerance, friendship among peoples, peace and universal brotherhood, respect for freedom of religion or belief of others, and in full consciousness that his energy and talents should be devoted to the service of his fellow men.
4. In the case of a child who is not under the care either of his parents or of legal guardians, due account shall be taken of their expressed wishes or of any other proof of their wishes in the matter of religion or belief, the best interests of the child being the guiding principle.

5. The practices of a religion or beliefs in which a child is brought up must not be injurious to his physical or mental health or to his full development. Taking into account article 1, paragraph 3, of the present Declaration.

Article VI

In accordance with article I of the present Declaration, and subject to the provisions of article 1, paragraph 3, the right to freedom of thought, conscience, religion or belief shall include, inter alia, the following freedoms:

(a) To worship or assembly in connexion with a religion or belief, and to establish and maintain places for these purposes;

(b) To establish and maintain appropriate charitable or humanitarian institutions;

(c) To make, to acquire and to use to an adequate extent the necessary articles and materials related to the rites or customs of a religion or belief;

(d) To write, to publish and to disseminate relevant publications in these areas;

(e) To teach a religion or belief in places suitable for these purposes;

(f) To solicit and receive voluntary financial and other contributions from individuals and institutions;

(h) To observe days of rest and to celebrate holidays and ceremonies in accordance with the precepts of one’s religion or belief;

(i) To establish and maintain communications with individuals and communities in matters of religion and belief at the national and international levels.

The rights and freedoms set forth in the present Declaration shall be accorded in national legislation in such a manner that everyone shall be able to avail himself of such rights and freedoms in practice.

1981/37. Draft convention against torture and other cruel, inhuman or degrading treatment or punishment

The Economic and Social Council,

Recalling General Assembly resolution 35/178 of 15 December 1980, by which the Assembly requested the Commission on Human Rights to complete as a matter of urgency, at its thirty-seventh session, the drafting of a convention against torture and other cruel, inhuman or degrading treatment or punishment, and Economic and Social Council resolution 1980/32 of 2 May 1980, by which the Council authorized a meeting of an open-ended working group of the Commission on Human Rights for a period of one week prior to the thirty-seventh session of the Commission to complete the work on a draft convention against torture and other cruel, inhuman or degrading treatment or punishment,

Considering that it was not found possible to complete the work on the draft convention during the thirty-seventh session of the Commission,

Taking note of resolution 25 (XXXVII) of 10 March 1981 of the Commission on Human Rights, 64

1. Authorizes a meeting of an open-ended working group for a period of one week prior to the thirty-eighth session of the Commission on Human Rights to complete the work on a draft convention against torture and other cruel, inhuman or degrading treatment or punishment;

2. Requests the Secretary-General to transmit to the Commission on Human Rights at its thirty-eighth session all relevant material relating to the draft convention.

1981/38. Assistance to the Government of Equatorial Guinea in its efforts to guarantee the enjoyment of human rights and fundamental freedoms

The Economic and Social Council,

Taking note with appreciation of the report submitted by Professor Fernando Volio Jiménez, 67 expert appointed by the Secretary-General in pursuance of resolution 33 (XXXVI) of the Commission on Human Rights,

Bearing in mind General Assembly resolutions 34/123 of 14 December 1979 and 35/105 of 5 December 1980 on assistance to Equatorial Guinea,

Conscious of the need to ensure that such assistance should include a response to the human rights requirements of the situation,

Mindful of the efforts being made by the Government of Equatorial Guinea to ensure respect for human rights and fundamental freedoms in that country,

Noting that the Government of Equatorial Guinea would be prepared to accept the working plan submitted by the expert to assist it in its efforts to restore the full enjoyment of human rights in the country,

1. Expresses its appreciation to Professor Fernando Volio Jiménez, expert appointed in accordance with resolution 33 (XXXVI) of the Commission on Human Rights, for his efforts to provide advice and assistance to the Government of Equatorial Guinea and also for his report;

2. Expresses its appreciation also to the Government of Equatorial Guinea for its efforts towards the restoration of human rights in Equatorial Guinea and for the co-operation extended to the expert, and invites the Government to continue its efforts to restore the democratic freedoms abolished by the former Government and to encourage the participation of the citizens in the restoration of the democratic system in the country;

3. Reiterates its readiness to assist the Government of Equatorial Guinea, at its request, in the task of restoring human rights in Equatorial Guinea and, to that end, requests the Secretary-General to invite the expert to continue to place his advice and assistance at the disposal of the Government of Equatorial Guinea, particularly with a view to the implementation of his recommendations to that Government, taking into account the political, economic and social conditions of the country;

4. Requests the Secretary-General, bearing in mind the need for co-ordination with other assistance ac-

5. Further requests the Secretary-General, in drawing up the draft plan of action, to consult Governments, other United Nations organs and the relevant parts of the United Nations Secretariat, specialized agencies, non-governmental organizations in consultative status and the Organization of African Unity, with a view to determining in what ways they may be able to contribute towards implementing the plan, and to inform the Council of the results of those consultations.

The Economic and Social Council,
Taking note of resolution 35 (XXXVII) of 11 March 1981 of the Commission on Human Rights, 68
1. Recommends to the General Assembly the adoption of the following draft resolution:

"The General Assembly,
"Recollecting its resolution 33/174 of 20 December 1978, by which it established the United Nations Trust Fund for Chile as a voluntary fund to receive contributions and distribute humanitarian, legal and financial aid to persons whose human rights had been violated by detention or imprisonment in Chile,
"Recalling also its resolution 35/190 of 15 December 1980, by which it requested the Commission on Human Rights to study the possibility of extending the mandate of the Fund,
"Noting that all Governments have an obligation to respect and promote human rights in accordance with the responsibilities they have undertaken under various international instruments,
"Noting with deep concern that acts of torture take place in various countries,
"Considering the plight of victims of torture wherever it takes places,
"Recognizing the need to provide assistance to the victims of torture in a purely humanitarian spirit,
"I. Decides:
"(a) To extend the mandate of the United Nations Trust Fund for Chile, established by its resolution 33/174, in order to make it capable of receiving voluntary contributions for distribution, through established channels of humanitarian assistance, as humanitarian, legal and financial aid to individuals whose human rights have been severely violated as a result of torture, and to relatives of such victims, priority being given to aid to victims of violations by States in which the human rights situation has been the subject of resolutions or decisions adopted by either the General Assembly, the Economic and Social Council or the Commission on Human Rights;
"(b) That such a United Nations voluntary fund for victims of torture shall be administered in accordance with the financial regulations of the United Nations by the Secretary-General, with the advice of a board of trustees composed of a chairman and four members with wide experience in the field of human rights, acting in their personal capacity, to be appointed by the Secretary-General with due regard to equitable geographical distribution and in consultation with their Governments;
"(c) To redesignate the United Nations Trust Fund for Chile as a United Nations voluntary fund for victims of torture;
"(d) To adopt the arrangements for the management of the fund set forth in the annex to the present resolution;
"(e) To authorize the board of trustees to promote and solicit contributions and pledges;
"(f) To request the Secretary-General to give the board of trustees all the assistance it may require;
"2. Requests the Secretary-General to submit to the General Assembly at its thirty-sixth session specific proposals for the arrangements for the management of the fund in accordance with the principles set forth in paragraph 1 (a) of the draft resolution recommended for adoption by the General Assembly.

1981/40. Combating the traffic in persons and the exploitation of the prostitution of others

The Economic and Social Council,
Recalling its resolution 1980/4 of 16 April 1980, in which it requested the Secretary-General to prepare a report on the application of the Convention for the Suppression of the Traffic in Persons and of the Exploitation of the Prostitution of Others, 69
Recalling also resolution 1 (XXVII) of 4 April 1978 of the Commission on the Status of Women, 70
Considering the provisions of resolution 43 on the exploitation of the prostitution of others and traffic in persons, adopted by the World Conference of the United Nations Decade for Women, 71
Considering that slavery may be defined as the condition of a person who is entirely under the domination of another,

Having been informed that, for these reasons, the Working Group on Slavery of the Sub-Commission on Prevention of Discrimination and Protection of Minorities has been invited to collaborate in the preparation of a study on procuring,

Considering further that these practices, frequently condemned by various United Nations bodies, constitute a flagrant violation of human rights,

69 General Assembly resolution 317 (IV), annex.
Considering that the combating and suppression of such traffic involves a number of different national and international organizations,

Requests the Secretary-General to undertake an inquiry among the Governments of Member States and the international organizations concerned—the regional commissions, the Office of the United Nations High Commissioner for Refugees, Interpol and the international non-governmental organizations concerned—on the status of the question and to report thereon to the General Assembly at its thirty-seventh session, so that, with full knowledge of the facts, joint measures can be envisaged to put an end to this form of slavery.

18th plenary meeting 8 May 1981

The Economic and Social Council,

Recalling its resolution 1979/39 of 10 May 1979 on the report of the Ad Hoc Working Group of Experts of the Commission on Human Rights on allegations regarding infringements of trade union rights in the Republic of South Africa,

Recalling also its resolution 1980/33 of 2 May 1980 on allegations regarding infringements of trade union rights in the Republic of South Africa,

Recognizing the contribution which the reports of the Ad Hoc Working Group of Experts have made and are continuing to make to the efforts of the United Nations to seek out and combat the violations of human rights, in particular the policies of apartheid and racial discrimination, pursued in South Africa and Namibia,

Having examined the report of the Ad Hoc Working Group of Experts requested by the Council in its resolution 1980/33, 12

Noting that the South African authorities, far from changing their policies of apartheid, are strengthening them by various means,

Noting also that the proposals for the reform of industrial relations in South Africa put forward by the Wicherhann Commission appear to have failed,

Noting further that the Code of Conduct of the European Economic Community has not brought about much appreciable change,

1. Congratulates the Ad Hoc Working Group of Experts of the Commission on Human Rights on the work it has done;
2. Takes note of the report of the Ad Hoc Working Group of Experts requested in its resolution 1980/33 and of the conclusions contained therein;
3. Deplores the inhuman conditions of African workers, particularly agricultural workers;
4. Condemns the continuing police and state interference in industrial disputes in South Africa;
5. Demands the cessation of all police and state interference in industrial disputes and the recognition of the right of the black trade union movements in South Africa to full freedom of association and to unimpeded collective bargaining;
6. Requests the Ad Hoc Working Group of Experts to continue to study the situation and to report thereon to the Commission on Human Rights and the Economic and Social Council in 1982;
7. Decides to consider the question of allegations of infringements of trade union rights in the Republic of South Africa as a subitem under the item entitled ‘Human rights questions’ at its first regular session of 1982.

1981/42. Human rights questions: the case of Ziad Abu Ain

The Economic and Social Council,

Recalling the Charter of the United Nations and the Universal Declaration of Human Rights, 73

Recalling General Assembly resolution 32/14 of 7 November 1977, in which the Assembly, inter alia, reaffirmed the legitimacy of the struggle for independence, territorial integrity, national unity and liberation from colonial and foreign domination and alien subjugation by all available means,

Bearing in mind that the Government of Israel defiantly considers internationally recognized and legitimate resistance by the Palestinian population under illegal occupation as ‘common crimes’ and that the Israeli authorities of occupation systematically violate the human rights of the Palestinian population under Israeli military occupation,

Noting that Mr. Ziad Abu Ain has been detained illegally in a United States prison for over a year pending his extradition to Israel,

Noting also that the sole basis for “probable cause” against Mr. Ziad Abu Ain is a Hebrew language statement made by a person who was in Israeli custody,

Noting further that no United States court will sustain a trial of a person on the basis of such “evidence”,

Appeals to the Government of the United States of America to release Mr. Ziad Abu Ain from the United States prison in which he is being detained.

1981/43. Composition of the Committee on Non-Governmental Organizations

The Economic and Social Council,

Recognizing the need to enlarge the composition of the Committee on Non-Governmental Organizations in order to bring it into line with the present membership of the United Nations and with the principle of equitable geographical representation,

1. 1981/44. Review of the future activities of the Committee on Non-Governmental Organizations

The Economic and Social Council,

Taking note of the report of the Committee on Non-Governmental Organizations, 74 in particular annex II thereto, containing a summary of the suggestions made on item 5 of the Committee’s agenda, entitled “Review of future activities”;

Recognizing the growth in the number of non-governmental organizations, totalling over six hundred, which have been granted consultative status with the Council,

Acknowledging the variety of experience, professionalism and fields of activity represented by non-governmental organizations and their increasing contribution to the implementation of United Nations programmes in the economic and social fields,

Bearing in mind the fact that a large number of non-governmental organizations are making a valuable contribution to the development of developing countries through inter alia, the mobilization of financial, technical and human resources and of public opinion,
