## Annex I

### **Decision 58/II Decision of the Committee on the Elimination of Discrimination against Women on the simplified reporting procedure**

**Adopted on 18 July 2014**

*The Committee on the Elimination of Discrimination against Women,*

*Bearing in mind* that General Assembly resolution 68/268 encourages the human rights treaty bodies to offer to States parties, for their consideration, the simplified reporting procedure and to set a limit on the number of questions to be included,

*Noting* that the twenty-sixth meeting of chairs of the United Nations human rights treaty bodies recommended that the treaty bodies that consider periodic reports should consider making the simplified reporting procedure available as from 1 January 2015,

*Noting further* that under the simplified reporting procedure, as applied by other human rights treaty bodies, States parties may avail themselves of such a procedure only for the submission of their periodic reports, but not for that of their initial reports,

*Considering* the importance of the information, of a general and factual nature, relating to the implementation of the Convention contained in the common core document to be submitted by States parties under the “Harmonized guidelines on reporting under the international human rights treaties, including guidelines on a common core document and treaty-specific documents” (HRI/MC/2006/3 and Corr.1),

*Recalling* that States parties should endeavour to update the common core document whenever they submit a treaty-specific document, and that a treaty body may request that the common core document be updated if it considers that the information it contains is out of date (HRI/MC/2006/3 and Corr.1, paras. 18 and 27),

*Decides* to offer, on a pilot basis, the simplified reporting procedure to those States parties that wish to avail themselves of the procedure for the submission of their periodic (but not of their initial) reports, as from 1 January 2015, provided that the States parties concerned have submitted an updated common core document, in accordance with the “Harmonized guidelines on reporting under the international human rights treaties, including guidelines on a common core document and treaty-specific documents”, which dates back no more than five years or less in case there have been significant political and/or socioeconomic changes in the State party concerned during the five-year period, and also decides to consider, at its fifty-ninth session, the practical modalities for the implementation of the simplified reporting procedure, including its impact on the calendar of work of the Committee.

1. The Working Group on Communications under the Optional Protocol to the Convention on the Elimination of All Forms of Discrimination against Women held its twenty-ninth session in Geneva from 25 to 27 June 2014. Four members attended the session (Olinda Bareiro-Bobadilla, Niklas Bruun, Yoko Hayashi and Dubravka Simonović).
2. At the beginning of the session, the Working Group adopted its agenda.
3. The Working Group decided to register two new communications (Nos. 68/2014 and 69/2014) and to transmit the correspondence to the States parties concerned.
4. During its twenty-ninth session, the Working Group also reviewed all unregistered correspondence received since its previous session. It took note of the action taken by the secretariat to date and decided on a number of requests for clarifications and/or explanations or for replies to be sent to authors of such correspondence.
5. The Working Group discussed three draft recommendations in relation to communications Nos. 30/2011, 46/2012 and 47/2012. All three recommendations were adopted by consensus and will be referred to the Committee for adoption.
6. The members of the Group proceeded to an inventory of all case files for the communications for which they had been appointed case rapporteurs. The Group then reviewed the status of all pending cases registered and had a discussion on each of them. With regard to communication No. 63/2013, the Committee decided to ask the State party concerned, in light of its repeated requests for extension, to provide its observations within two months, indicating that in the absence of such observations, the Committee would adopt a decision on the basis of the information contained in the file.
7. The Working Group further decided to reject the requests of the States parties concerned to consider the admissibility of the communication separately from the merits (split request) in relation to two communications (Nos. 54/2013 and 65/2014).
8. For its thirtieth session, the Working Group requested the secretariat to prepare three draft recommendations in relation to communications Nos. 37/2012, 49/2013 and 59/2013.
9. The Working Group discussed the status of 11 cases in which the follow-up dialogue with the States parties concerned remained ongoing, namely Belarus (No. 23/2009), Brazil (No. 17/2008), Bulgaria (Nos. 20/2008, 31/2011 and 32/2011), Canada (No. 19/2008), the Netherlands (No. 36/2011), Peru (No. 22/2009), the Philippines (Nos. 18/2008 and 34/2011) and Turkey (No. 28/2010).

10. The Working Group decided to request informal meetings to discuss follow-up matters with representatives of the Permanent Missions of the Philippines and Turkey to the United Nations Office at Geneva, to be held during the Committee's fifty-eighth session.

11. The Working Group also held a discussion on the possible designation of one member of the Group member to act as Special Rapporteur on interim measures.

**Action taken at the twenty-ninth session:**

12. At its twenty-ninth session, the Working Group decided:

(a) To refer for adoption to the Committee a recommendation in relation to communication No. 47/2012 (views, violation), adopted by consensus;

(b) To refer for adoption to the Committee a recommendation in relation to communication No. 30/2011 (inadmissibility), adopted by consensus;

(c) To refer for adoption to the Committee a recommendation in relation to communication No. 46/2012 (admissibility), adopted by consensus;

(d) To reject the requests of the States parties concerned to examine the admissibility of the communication separately from the merits (split request) in relation to communications Nos. 54/2013 and 65/2014;

(e) To register two new communications: Nos. 68/2014 (Rapporteur: Niklas Bruun) and 69/2014 (Rapporteur: Yoko Hayashi);

(f) To request the secretariat to arrange meetings during the Committee's fifty-eighth session with representatives of the Permanent Missions of the Philippines and Turkey to the United Nations Office at Geneva to discuss follow-up to the Committee's views on individual communications concerning those States parties;

(g) To further reflect on the possible establishment of the mandate of a Special Rapporteur on interim measures of the Working Group, with effect from 2015.

### Decision 59/I

On 3 November 2014, the Committee adopted joint general recommendation No. 31 of the Committee on the Elimination of Discrimination against Women/general comment No. 18 of the Committee on the Rights of the Child on harmful practices (see paragraph 42 of part two of the present report).

### Decision 59/II

On 5 November 2014, the Committee adopted general recommendation No. 32 on gender-related dimensions of refugee status, asylum, nationality and statelessness of women (see paragraph 43 of part two of the present report).

### Decision 59/III

The Committee decided to systematically apply the guidelines on the independence and impartiality of members of the human rights treaty bodies (the Addis Ababa guidelines), which form an integral part of the Committee's rules of procedure (see decision 54/VIII), as from 1 January 2015.

### Decision 59/IV

On 7 November 2014, the Committee decided to entrust its pre-sessional working group, to be convened after each regular session, with the preparation of draft lists of issues prior to reporting under the simplified reporting procedure (see decision 58/II), to be approved, in the pilot phase, by the Committee at its next regular session, and to limit the number of questions in those lists of issues to a maximum of 25 questions. In addition to the criteria stipulated in its decision 58/II, the Committee decided that, in the pilot phase, the simplified reporting procedure would only be offered to States parties whose periodic reports (not initial reports or initial reports that are combined with periodic reports) are overdue, and that the number of lists of issues prior to reporting to be adopted per year may be limited during the pilot phase, based on the resource constraints faced by the Committee and its secretariat.

### Decision 59/V

On 7 November 2014, the Committee decided to amend rule 24 of its rules of procedure as follows, in accordance with paragraph 30 of General Assembly resolution 68/268 of 9 April 2014: "English, French and Spanish shall be the official working languages of the Committee. In addition, on an exceptional basis, a fourth official language shall be included to facilitate communication among the members, which shall be subject to review every two years following the election of members of the Committee, based on the composition of the Committee." The Committee

decided that during the period from 1 January 2015 to 31 December 2016, Arabic shall be its fourth official language.

#### **Decision 59/VI**

On 5 November 2014, the Committee decided to establish, on a pilot basis, a Working Group on Inquiries under the Optional Protocol, which shall consist of no more than five members of the Committee and shall reflect equitable geographical representation. It also decided that the Working Group shall replace the Committee's Task Force on Inquiries and shall meet for six days per year, within existing resources and through the reallocation of existing meeting time and interpretation entitlements (for 1.5 days), prior to its regular sessions, to examine information received under article 8 of the Optional Protocol. The Committee decided to review the decision after two years. It further decided that the first session of the Working Group on Inquiries shall be convened from 1 to 3 July 2015 in Geneva.

#### **Decision 59/VII**

On 7 November 2014, the Committee decided to make public and publish on the website of the Office of the United Nations High Commissioner for Human Rights the full report of an inquiry setting out the Committee's findings, comments and recommendations upon the completion of all proceedings related to the conduct of the inquiry as well as the expiry of the time limit pursuant to article 8, paragraph 4, of the Optional Protocol (see annex I to part two of the present report).

#### **Decision 59/VIII**

The Committee decided that the Working Group on Communications under the Optional Protocol shall meet immediately prior to the regular sessions of the Committee, including when new members of the Working Group are appointed at the regular session concerned (thereby amending its decision 46/I). Accordingly, it decided that the thirty-first session of the Working Group would be held from 10 to 13 February 2015 in Geneva.

#### **Decision 59/IX**

The Committee decided to appoint Xiaoqiao Zou as rapporteur on follow-up and Hilary Gbedemah as alternate rapporteur, both for a period of two years, from 1 January 2015 to 31 December 2016.

The Committee confirmed the members of the pre-sessional working group for the sixty-first session, namely, Violeta Neubauer, Theodora Oby Nwankwo, Maria-Helena Pires and Patricia Schulz.<sup>1</sup>

#### **Decision 59/XI**

The Committee decided to entrust Nicole Ameline with exploring ways and means for mobilizing extrabudgetary financial resources to support the activities of the Committee and to discuss such modalities at its sixtieth session.

---

<sup>1</sup> Barbara Bailey had been designated a member of the working group but was unable to attend the meeting of the pre-sessional working group for the sixty-first session.

## Chapter IV

### Consideration of reports submitted by States parties under article 18 of the Convention

16. At its fifty-ninth session, the Committee considered the reports of eight States parties submitted under article 18 of the Convention: the seventh periodic report of Belgium; the combined initial and second periodic reports of Brunei Darussalam; the combined seventh and eighth periodic reports of China; the combined sixth and seventh periodic reports of Ghana; the combined seventh and eighth periodic reports of Guinea; the combined seventh and eighth periodic reports of Poland; the combined initial to third periodic reports of Solomon Islands; and the combined seventh and eighth periodic reports of Venezuela (Bolivarian Republic of).

17. The Committee adopted concluding observations on each of the reports considered. The concluding observations are available through the Official Document System of the United Nations under the symbols indicated below:

Belgium	(CEDAW/C/BEL/CO/7)
Brunei Darussalam	(CEDAW/C/BRN/CO/1-2)
China	(CEDAW/C/CHN/CO/7-8)
Ghana	(CEDAW/C/GHA/CO/6-7)
Guinea	(CEDAW/C/GIN/CO/7-8)
Poland	(CEDAW/C/POL/CO/7-8)
Solomon Islands	(CEDAW/C/SLB/CO/1-3)
Venezuela (Bolivarian Republic of)	(CEDAW/C/VEN/CO/7-8)

18. It is noted that consideration of Solomon Islands, in the absence of a report, had originally been scheduled for the fifty-fourth session. However, on 30 January 2013, the State party submitted its combined initial to third periodic reports, and the consideration was subsequently postponed to the fifty-ninth session so as to allow for the translation of the report and the establishment of an updated list of issues at the meeting of the pre-sessional working group.

#### Follow-up procedures relating to concluding observations

19. The Committee considered the follow-up reports received from the following States parties:

Brazil	(CEDAW/C/BRA/CO/7/Add.1)
Costa Rica	(CEDAW/C/CRI/CO/5-6/Add.1)
Kenya	(CEDAW/C/KEN/CO/7/Add.1)
Montenegro	(CEDAW/C/MNE/CO/1/Add.1)
Norway	(CEDAW/C/NOR/CO/8/Add.1)

The follow-up reports of the States parties and the Committee's replies are available from the Official Document System of the United Nations under the symbols indicated above.

20. The Committee also sent first reminders to the following States parties whose follow-up reports were overdue: Guyana, Indonesia, Jamaica, Mexico and Samoa.

21. The Committee sent second reminders to the following States parties whose follow-up reports were overdue: Chad, Côte d'Ivoire, Kuwait and Oman.

22. The alternate rapporteur on follow-up met with a representative of South Africa, as the State party's follow-up report was overdue.

**Appointment of a new rapporteur on follow-up and of an alternate rapporteur**

23. The term of Barbara Bailey as Rapporteur on follow-up and that of Xiaoqiao Zou as alternate rapporteur were to expire on 31 December 2014. The Committee therefore decided to appoint Xiaoqiao Zou as Rapporteur on follow-up and Hilary Gbedemah as alternate rapporteur, both for a period of two years, until 31 December 2016 (see decision 59/IX).

## Chapter V

### **Activities carried out under the Optional Protocol to the Convention on the Elimination of All Forms of Discrimination against Women**

24. Article 12 of the Optional Protocol to the Convention on the Elimination of All Forms of Discrimination against Women provides that the Committee shall include in its annual report a summary of its activities carried out under the Optional Protocol.

#### **A. Action taken by the Committee in respect of issues arising under article 2 of the Optional Protocol**

25. The Committee discussed activities under the Optional Protocol on 27 October and 3 November 2014.

26. The Committee endorsed the report of the Working Group on Communications under the Optional Protocol on its thirtieth session (see annex IV to part two of the present report).

27. The Committee adopted final decisions with regard to three individual communications submitted under article 2 of the Optional Protocol. The Committee adopted inadmissibility decisions on communications No. 37/2012 (*T.N. et al. v. Denmark*), No. 49/2013 (*S.O. v. Canada*) and No. 59/2013 (*Y.C. v. Denmark*), by consensus. In addition, it declared admissible one communication (No. 46/2012), with one member dissenting and reserving her right to submit an individual opinion. The final decisions are available through the Official Document System of the United Nations under the symbols [CEDAW/C/59/D/37/2012](#), [CEDAW/C/59/D/49/2013](#) and [CEDAW/C/59/D/59/2013](#), respectively.

#### **B. Follow-up to views of the Committee on individual communications**

28. No follow-up progress report was prepared during the reporting period. However, the Committee was informed that during its thirtieth session, the Working Group had discussed the follow-up situation in each case where the follow-up dialogue was ongoing and that it had agreed on the action to be taken. The Committee decided to suspend the follow-up dialogue, finding a non-satisfactory implementation of the Committee's recommendations with regard to its views on two communications, one concerning the Philippines (No. 18/2008) and another one concerning Belarus (No. 23/2009). It decided that all further follow-up discussions regarding those two cases would take place in the framework of the Committee's reporting procedure. The Committee did not take a decision to put the follow-up dialogue to an end in any of the remaining cases under follow-up examination. Of the 10 cases that are currently under follow-up examination, one relates to Brazil, three to Bulgaria, and one each to Canada, the Netherlands, Peru, the Philippines, Spain and Turkey. The Committee requested to have a meeting arranged during its sixtieth session with the Permanent Mission of Bulgaria to discuss follow-up matters.

**C. Action taken by the Committee in respect of issues arising under article 8 of the Optional Protocol**

29. The Committee was briefed on the status of all pending submissions and proceedings under the inquiry procedure.

30. On 26 October 2014, the Committee held an informal retreat to discuss its working methods relating to the inquiry procedure, including the issue of confidentiality of the inquiry procedure and the allocation of adequate meeting time and resources for its work under article 8 of the Optional Protocol.

31. In relation to inquiry No. 2010/1, the Committee decided to defer its decision on the publication of the report of the inquiry to its sixtieth session.

32. In relation to submission No. 2012/1, the Committee decided to request additional information from the State party and from other sources of information on the incidence of the alleged violations in other parts of the State party.

33. In relation to submission No. 2013/1, the Committee decided to conduct an inquiry and to transmit its decision to the State party.

34. In relation to submission No. 2013/2, the Committee decided to request the State party concerned to submit, within two months, observations with regard to the information received by the Committee under article 8 of the Optional Protocol.

35. In relation to submissions Nos. 2014/1 and 2014/2, the Committee in each case decided to extend by two months the time limit for the State party concerned to submit observations with regard to the information received by the Committee under article 8 of the Optional Protocol.

## Chapter VI

38. On 6 November 2014, the Committee held an informal meeting with the States parties to the Convention, which was attended by 65 States parties. The Committee briefed the States parties on the implementation of the Convention and the Optional Protocol in the context of the outcome of the treaty body strengthening process. Several States parties welcomed the adoption by the Committee of the simplified reporting procedure; some expressed the wish to avail themselves of the procedure for the submission of their periodic reports. Among the other issues discussed were the integration of women's rights into the post-2015 development agenda and the Committee's work on violence against women.

##### Dates of future sessions of the Committee

39. In accordance with the calendar of conferences, the following dates were confirmed for the Committee's sixtieth and sixty-first sessions and related meetings:

Sixtieth session (Geneva)

(d) Sixty-first session: 6 to 24 July 2015;

(e) Pre-sessional working group for the sixty-third session: 27 to 30 July 2015.

##### Reports to be considered at future sessions of the Committee

However, the State party submitted its combined fourth to eighth periodic reports on 5 August 2013, and the consideration was subsequently postponed to the sixty-first session, so as to allow for the translation of the report and the establishment of an updated list of issues at the meeting of the pre-sessional working group.

## Chapter VII

2. At the beginning of the session, the Working Group adopted its agenda.
3. The Working Group decided to register two new communications (Nos. 68/2014 and 69/2014) and to transmit the correspondence to the States parties concerned.
4. During its thirtieth session, the Working Group also reviewed all unregistered correspondence received since its previous session. It took note of the action taken by the secretariat so far and decided on a number of requests for clarifications and/or explanations or for replies to be sent to the authors of such correspondence.
5. The Working Group discussed four draft recommendations in relation to communications Nos. 37/2012, 49/2013, 59/2013 and 46/2012. All four recommendations were adopted by consensus and would be referred to the Committee for adoption.
