Taking into account the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,⁷ and recalling in this regard its resolution [ES-10/15](#) of 20 July 2004,

Recalling the statement of 15 July 1999 and the declarations adopted on 5 December 2001 and on 17 December 2014⁸ by the Conference of High Contracting Parties to the Fourth Geneva Convention, and welcoming initiatives by States parties, both individually and collectively, according to article 1 of the Convention and aimed at ensuring respect for the Convention in the Occupied Palestinian Territory, including East Jerusalem,

Recalling also its resolution [58/292](#) of 6 May 2004,

Taking note of the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,⁹

Convinced that occupation itself represents a gross and grave violation of human rights,

Noting with deep regret that 51 years have passed since the onset of the Israeli occupation, and stressing the urgent need for efforts to reverse the negative trends on the ground and to restore a political horizon for advancing and accelerating meaningful negotiations aimed at the achievement of a peace agreement that will bring a complete end to the Israeli occupation that began in 1967 and the resolution of all core final status issues, without exception, leading to a peaceful, just, lasting and comprehensive solution for the question of Palestine,

Recognizing that the occupation and ensuing persistent and systematic violations of international law by Israel, including international humanitarian and human rights law, are considered to be the main sources of other Israeli violations and discriminatory policies against the Palestinian civilian population in the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned about the continuing detrimental impact of ongoing unlawful Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, including the excessive use of force by the Israeli occupying forces against Palestinian civilians, resulting in the death and injury of civilians and the widespread destruction of property and vital infrastructure, including during the Israeli military operations in the Gaza Strip in July and August 2014, as well as ongoing settlement activities and construction of the wall, the internal forced displacement of civilians, the imposition of collective punishment measures, particularly against the civilian population in the Gaza Strip, where continuing severe restrictions on movement amount to a blockade, and the detention and imprisonment of thousands of Palestinians,

Expressing grave concern about tensions, instability and violence in the Occupied Palestinian Territory, including East Jerusalem, due to the illegal policies and practices of Israel, the occupying Power, including, in particular, provocations and incitements regarding the holy places of Jerusalem, including the Haram al-Sharif,

Gravely concerned about all acts of violence, intimidation and provocation by Israeli settlers against Palestinian civilians and properties, including homes, mosques, churches and agricultural lands,

Gravely concerned also by reports regarding serious human rights violations and grave breaches of international humanitarian law,¹⁰

Recalling the report of the independent commission of inquiry established pursuant to Human Rights Council resolution S-21/1,¹¹ and stressing the imperative of ensuring accountability for all violations of international humanitarian law and international human rights law in order to end impunity, ensure justice, deter further violations, protect civilians and promote peace,

Having considered the report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories¹² and the relevant reports of the Secretary-General,¹³

Recalling the Declaration of Principles on Interim Self-Government Arrangements of 13 September 1993¹⁴ and the subsequent implementation agreements between the Palestinian and Israeli sides,

Stressing the urgency of bringing a complete end to the Israeli occupation that began in 1967, and thus an end to the violation of the human rights of the Palestinian people, and of allowing for the realization of their inalienable human rights, including their right to self-determination and their independent State,

Taking note of the application of Palestine for admission to membership in the United Nations, submitted on 23 September 2011,¹⁵

Recalling its resolution 67/19 of 29 November 2012, by which, inter alia, Palestine was accorded non-member observer State status in the United Nations, and taking note of the follow-up report of the Secretary-General,¹⁶

Noting the accession by Palestine to several human rights treaties and the core humanitarian law conventions, as well as other international treaties,

1. *Commends* the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories for its impartiality and efforts in performing the tasks assigned to it by the General Assembly, in spite of the obstruction of its mandate;

8. *Requests* the Secretary-General:
