## IV. Participation

6. Considering the current situation with regard to the COVID-19 pandemic, the thirtieth session will likely be held in a hybrid format involving two types of participation: in-person participation at the Vienna International Centre and online participation from various locations worldwide.

### **In-person participation and COVID-19 preventive measures**

7. The Vienna International Centre adheres to the regulations and recommendations of the host country and host city relating to COVID-19. Participants are encouraged to regularly check for updates on the website of the thirtieth session, in the section on COVID-19-related information.

8. In line with the COVID-19 regulations and recommendations of the host country and host city, in-person participation may be limited. Detailed information on in-person participation and registration will be made available on the website of the thirtieth session, in the section pertaining to registration.

### **Online participation**

9. Participants will also be able to participate online, either as speakers (by means of a link that technically enables participants to request and take the floor), or as observers (by means of a link that enables participants to follow the proceedings of the Commission in the six official languages of the United Nations but not to take the floor).

10. Detailed information on online participation and registration will be made available on the website of the thirtieth session, in the section pertaining to registration.

## V. Registration

### **Registration**

11. All participants must register through the Indico registration system (<https://indico.un.org/login/>). In order to register for the session, a personal account must first be set up in Indico. The dates of the registration period will be announced on the website of the thirtieth session, in the section pertaining to registration.

12. Detailed information on registration, as well as the link to the registration page on Indico, will be posted on the website of the thirtieth session, in the section pertaining to registration. Participants are encouraged to regularly check the website for updated information prior to registering in Indico.

13. Given that the numbers of both in-person and online participants per delegation may have to be limited, delegations are encouraged to register as early as possible, once registration is opened on Indico.

### **In-person participation**

14. As part of the security arrangements, participants attending in person will be required to present their confirmation of registration from Indico identifying them as delegates, together with their passports or another official photograph-bearing identity document, in order to receive their grounds passes on site. Grounds passes must be worn visibly at all times in the Vienna International Centre. All persons and their bags and briefcases will go through a security check at the entrance to the Centre. Participants attending in person are kindly requested to familiarize themselves with and follow the COVID-19 guidelines for meeting participants at the Vienna International Centre, available on the website of the thirtieth session, in the section on COVID-19-related information.

15. Grounds passes will be issued to registered participants at Gate 1 of the Vienna International Centre on 14 May 2021, from 1 to 4 p.m., and on 17 May 2021, from 8 to 10.30 a.m., unless communicated otherwise on the website of the thirtieth session, in the section pertaining to registration.

16. Heads of member State delegations, staff members at the Professional level of specialized agencies and all staff members of the United Nations assigned to the Commission from duty stations other than Vienna will be granted access to the commissary.

17. Grounds passes for confirmed registered delegates may be collected by permanent missions at the Pass Office at Gate 1 in advance of the session, on 14 May 2021, from 1 to 4 p.m. Staff from permanent missions collecting grounds passes for their delegates must present an official letter at the Registration Counter for that purpose. The letter must be signed by the head of mission.

### **Participation of cabinet ministers and Heads of State or Government**

18. Permanent missions are invited to notify the Protocol Department of the Federal Ministry for Europe, Integration and Foreign Affairs of Austria ([abtil@bmeia.gv.at](mailto:abtil@bmeia.gv.at)) of the in-person participation in their delegations of cabinet ministers and heads of State or Government well in advance by using the VIP Form provided by the Ministry.<sup>2</sup> Information concerning security officers, weapons and radio equipment must also be notified by note verbale to the Protocol Department of the Ministry.

## **VI. Statements and draft resolutions**

### **Statements**

19. The maximum speaking time allotted for statements will be 5 minutes for Chairs of regional groups and 3 minutes (3-minute statements are equivalent to approximately 300 words) for other speakers, including high-level speakers. Delegates delivering statements are requested to supply their statements in advance to the Meetings Management Unit, preferably by email ([unov.conference@un.org](mailto:unov.conference@un.org)), or, alternatively, to provide printed copies thereof to the conference service desk in the Plenary Hall.

### **General debate**

20. For the general debate, the Extended Bureau of the Commission, following established practice, is expected to establish a date for opening the list of speakers that will differentiate only between speakers at the ministerial level and other speakers.

21. Delegations also have the option of submitting a pre-recorded video statement for the general debate (the time limit is to be strictly adhered to).

22. Representatives delivering video statements must be registered for the session as part of the delegation. When submitting names for the list of speakers at the general debate, delegations are requested to indicate “video statement” next to the title of the representative delivering the statement.

23. Video statements and the text of those statements should be transmitted to the secretariat via a file-sharing platform with appropriate security protections such as password protection and secure links (for example, Dropbox). The link to the files on the platform should be sent by email to [unov-conference.statements@un.org](mailto:unov-conference.statements@un.org) by 11 May 2021. Delegations are kindly requested to not send video files as email attachments.
