COMMISSION ON HUMAN RIGHTS
Fifth session

DRAFT INTERNATIONAL COVENANT ON HUMAN RIGHTS

Denmark: Draft Resolution

The Commission on Human Rights,

Considering the importance of securing to everyone the enjoyment of economic and social rights as set forth in articles 22-27 of the Universal Declaration of Human Rights,

Considering that full effect to these rights can only be given through detailed and complex legislative and administrative measures,

Recognizing the wide-spread activities of a number of functional bodies of the United Nations and their specialized agencies in these fields,

Requests the Secretary-General to prepare, before the next session of the Human Rights Commission, a survey of the activities of other bodies of the United Nations and their specialized agencies in matters within the scope of articles 22-27 of the Universal Declaration of Human Rights for the purpose of enabling the Commission to determine what future action it should take in these fields.
