COMMISSION ON HUMAN RIGHTS

Sixth session

Chile and Uruguay: Draft resolution

The Commission on Human Rights

Considering that it is highly important to promote by all possible means the knowledge and scientific study of the problems connected with the protection of human rights, both international and domestic,

Considering that in order to achieve these ends, as complete as possible a bibliography of the scientific works on this subject published in recent years ~~should be made~~ available.

Requests the Secretary-General:

1. To prepare and publish a general bibliography of scientific works related to the problem of the protection of human rights;
2. To limit this bibliography for the time being to works published after 31 December 1940.
