COMMISSION ON HUMAN RIGHTS

SECOND SESSION

PROPOSAL SUBMITTED BY THE UNITED KINGDOM DELEGATION

The Commission considers that it is necessary to prepare two documents, a Bill of Human Rights in the form of a Convention, and a Declaration of Human Rights.

The Commission will endeavour to draft both documents at this session.

The Commission will start considering the substantive articles of both simultaneously in plenary session, but will refer the precise drafting to a small committee.

The Commission will appoint a committee to consider the question of implementation and to report to the Commission at its present session.
