STATUS OF CONTRIBUTIONS AS AT 31 DECEMBER 1981 1/

1. At its 2444th plenary meeting on 17 December 1975, the General Assembly, on the recommendation of the Fifth Committee, decided that

"having in mind the Secretary-General's appeal to Member States to help ease the cash-flow position of the United Nations by forwarding their assessed contributions more promptly,^{2/} and in view of the complex tasks envisaged for the Organization under General Assembly resolution 3362 (S-VII) of 16 September 1975, the Secretary-General should be requested to resume, from 31 December 1975 and on a biannual basis thereafter, publication of a document showing, for each Member State, amounts assessed, paid and owed to the regular budget and on continuing operations for which there is a special assessment; the document should be made available to all Member States and should contain essentially the same information as that last published in the report of the Secretary-General on the collection of contributions as at 30 November 1964".

2. In accordance with that decision, the following annexes are attached:

1/ The status of contributions as at 31 December 1981 is solely intended to reflect the position of each of the funds set forth in the annexes at 31 December 1981. Assessed contributions to any of these funds which were received and duly recorded as of that date have been respectively reported. Those assessed contributions received and recorded after 31 December 1981 will be reported in the statement on the status of contributions as at 30 June 1982.
