## Introduction

1. The present document is submitted in accordance with a decision taken by the General Assembly at its 2444th plenary meeting, on 17 December 1975, that the Secretary General should provide Member States, on a biannual basis, with information, for each Member State, on the amounts assessed, paid and owed to the regular budget and on continuing operations for which there is a special assessment. That decision was taken, inter alia, in response to the Secretary General's appeal to Member States to help to ease the cash flow position of the United Nations by forwarding their contributions more promptly.
2. The present statement on the status of contributions is issued at this time in view of the continuing financial difficulties of the United Nations and the desire of Member States to be kept informed of the financial situation.
3. The payments shown in the annexes have been recorded in accordance with relevant General Assembly resolutions and the Financial Regulations of the United Nations. Assessed contributions to the respective funds that were received and duly recorded as at 31 July 2007 have been respectively reported. Those assessed contributions received and recorded after 31 July 2007 will be reported in the next statement on the status of contributions.
4. As at 31 July 2007, payments and credits totalling \$1,248.7 million had been received for the regular budget. Of that amount, \$1,207.9 million constitutes payments/credits against the current year's assessment, representing 58.8 per cent of that assessment. At the same time last year, 60.1 per cent of the current year's assessment had been received.
5. The contributions shown as outstanding in annexes II to XLV may include those amounts that, in accordance with specific resolutions of the General Assembly, are not to be taken into consideration in the application of Article 19 of the Charter of the United Nations. Such amounts nevertheless remain payable by the Member State concerned.
6. Collections shown in annexes II to XLVII include actual payments by Member States and may include applications of credits transferred from other accounts in accordance with instructions received from Member States and/or amounts held in suspense accounts in favour of Member States. They may also include offsets from troop-cost reimbursements applied upon instructions from Member States.
7. Credits shown in the annexes include amounts from unencumbered balances applied in accordance with the relevant General Assembly resolutions, as specified in the respective annexes. They do not, however, include overpayments held to the credit of Member States.
8. Credits utilized are amounts applied in accordance with instructions received from Member States.
9. Annex XLII relates to the financing of the strategic deployment stocks at the United Nations Logistics Base at Brindisi, Italy, pursuant to General Assembly resolution 56/292 of 27 June 2002. This provided for financing by transfers of Member States' shares of surplus cash balances under two other accounts (UNPROFOR/UNCRO/UNPREDEP/ UNPF and UNMIH) and by means of assessments for those requesting it or those that had no share in the cash balances of the other two accounts. The balance of the requirement was provided by a transfer from the interest income in the Peacekeeping Reserve Fund.

<sup>a</sup> Assessments for the period from 1 January to 31 December 2007. In accordance with General Assembly resolution 60/243, assessments for the International Tribunal are based in part on the scale of assessments applicable to the regular budget of the United Nations for 2006, and in part on the rates of assessment applicable to peacekeeping operations for 2006.

<sup>d</sup> Includes credits transferred from other accounts and amounts that had been held in suspense accounts in favour of Member States in 2006 towards their 2007 assessments.

<sup>e</sup> Following the admission of the Federal Republic of Yugoslavia pursuant to General Assembly resolution 55/12 of 1 November 2000, the former Yugoslavia ceased to be a Member State on 1 November 2000.
