Information circular

To: Members of the staff

From: The Assistant Secretary-General for Human Resources

Subject: **Mission subsistence allowance rates**

1. Pursuant to section 3.1 of administrative instruction [ST/AI/2021/2](#), the purpose of the present information circular is to publish new mission subsistence allowance rates, effective from 1 January 2022, established in accordance with the formula contained in sections 3.3 and 3.4 of [ST/AI/2021/2](#) and included in annex I.

Transitional measure

2. Mission subsistence allowance rates in existence on 31 December 2021 are abolished effective from 1 January 2022. However, as a one-time transitional measure, where the applicable mission subsistence allowance rate (the “first 30 days” rate or the “after 30 days” rate) set out in annex I is lower than the applicable rate in effect on 31 December 2021, personnel in receipt of mission subsistence allowance as at 31 December 2021 shall be eligible for payment of the respective higher mission subsistence allowance rate (the “first 30 days” rate or the “after 30 days” rate) reflected in annex II for the remainder of their tour of duty in the same country or until deployment to a different country within the same mission area, whichever is earlier.

3. The present circular is effective from 1 January 2022.
