Генеральная Ассамблея
Семьдесят вторая сессия
Пункт 44 повестки дня
Кипрский вопрос

Совет Безопасности
Семьдесят третий год

**Письмо Временного поверенного в делах Постоянного
представительства Кипра при Организации Объединенных
Наций от 29 августа 2018 года на имя Генерального секретаря**

По поручению правительства моей страны имею честь настоящим препроводить два документа со сведениями о совершенных Турцией нарушениях международных правил воздушного движения и вторжениях в национальное воздушное пространство Республики Кипр (см. приложение I), а также о незаконном использовании закрытых портов турецкими военными кораблями (см. приложение II) в июле 2018 года.

Кроме того, я хотела бы сообщить Вам о том, что режим, установленный оккупирующей державой в незаконно оккупируемом районе Кипра, направил авиационному персоналу три извещения, касавшихся проведения учений турецкими военно-воздушными силами в июле 2018 года.

Следует также отметить, что самолеты турецких коммерческих авиакомпаний систематически используют аэропорт Тимбу, который незаконно эксплуатируется режимом в оккупированных районах с момента закрытия правительством Кипра всех пунктов въезда в указанных районах.

Кроме того, Турция посредством радиообмена продолжает систематически создавать помехи для гражданской и военной авиации в районе полетной информации Никосии. Одновременно с этим с прежней регулярностью продолжают вторжения в район полетной информации Никосии и национальное воздушное пространство Республики Кипр. Политика Турции, постоянно нарушающей нормы международного права и международные правила и положения, создает постоянную угрозу для международного мира и безопасности, что также негативно влияет на региональную стабильность, ставит под угрозу безопасность международной гражданской авиации и создает трудности для воздушного движения над Кипром и препятствует созданию благоприятных условий для осуществления кипрского мирного процесса.

Вышеозначенные действия Турции, которая с 1974 года незаконно оккупирует северную часть Республики Кипр, явно рассчитаны на подрыв

суверенитета Республики Кипр, закрепление сохраняющегося фактического раздела и повышение статуса сепаратистского образования путем предъявления претензий на воздушное пространство над оккупированной территорией Республики. В этой связи я хотел бы вновь подчеркнуть, что на Кипре есть только одно законное правительство, как это предусмотрено в различных резолюциях Совета Безопасности, в частности в резолюциях 541 (1983) и 550 (1984), в которых Совет объявил так называемое отделение части Республики Кипр не имеющим законной силы.

От имени правительства моей страны я заявляю решительный протест в связи с продолжающимися нарушениями Турцией международных правил воздушного движения и ее вторжениями в национальное воздушное пространство и территориальные воды Республики Кипр и призываю к их немедленному прекращению. В этой связи Республика Кипр вновь обращается с призывом ко всем государствам соблюдать резолюции Совета Безопасности и принципы суверенитета и невмешательства, закрепленные в Уставе Организации Объединенных Наций.

Наконец, я хотела бы настоятельно призвать Турцию и киприотов-турок содействовать конструктивному возобновлению мирного процесса, вместо того чтобы направлять все усилия на подрыв суверенитета Республики Кипр и закрепление раздела Кипр посредством создания фактов на местах и официального закрепления статус-кво, а также на повышение политического статуса сепаратистского образования.

Буду признателен Вам за распространение настоящего письма и приложений к нему в качестве документа Генеральной Ассамблеи по пункту 44 повестки дня и в качестве документа Совета Безопасности.
