мира, безопасности и развития

Положение на оккупированных территориях
Азербайджана

Письмо Постоянного представителя Азербайджана при
Организации Объединенных Наций от 8 июня 2017 года
на имя Генерального секретаря

По поручению правительства моей страны имею честь настоящим препроводить информацию о нарушениях режима прекращения огня, совершенных Республикой Армения в феврале и марте 2017 года (см. приложения I и II)*. В феврале и марте Армения нарушила режим прекращения огня 1535 раз и 5103 раза, соответственно, и продолжала вести огонь из крупнокалиберного и тяжелого оружия со своих позиций на оккупированной территории Азербайджанской Республики и со своей собственной территории.

В результате за два месяца пять военнослужащих вооруженных сил Азербайджанской Республики были убиты и один военнослужащий был ранен.

Продолжающаяся оккупация значительной части территории Азербайджанской Республики вооруженными силами Армении остается главным препятствием на пути к урегулированию конфликта и единственной причиной обострения напряженности на линии фронта, а также военных действий и людских потерь.

Чем скорее Республика Армения выведет свои войска с оккупированных территорий Азербайджанской Республики, тем скорее будет обеспечена возможность восстановить мир и стабильность в регионе.
