2018 年 3 月 12 日巴基斯坦外交部长给秘书长的信

控制线和工作边界的局势

我提及 2017 年 12 月 6 日、10 月 31 日、6 月 6 日和 4 月 27 日关于印度占领的查谟和克什米尔日益恶化的人权状况的信，印度占领军在上述地区对手无寸铁的、无辜的克什米尔人实行恐怖统治和暴行。

在印度占领的查谟和克什米尔，每天有数千名无辜的克什米尔平民在街头抗议。他们唯一的诉求是实现联合国承诺给他们的自决权。2016 年 7 月以来，数百名无辜的克什米尔人丧生，20 000 余人受伤。数十人已永久失明或正饱受部分失明或完全失明之苦。面对这些野蛮行径，国际社会需要迫切采取行动。

你应该记得，巴基斯坦总理在大会第七十二届会议上就查谟和克什米尔争端向国际社会作了义正辞严的发言，并着重指出印军在印度占领的查谟和克什米尔正在犯下的严重侵犯人权的行为。总理强调，印度占领的查谟和克什米尔人民争取自决权的斗争受到印度的残酷镇压。总理要求对印度在其占领的查谟和克什米尔犯下的罪行进行国际调查，并请秘书长和人权事务高级专员向印度占领的查谟和克什米尔派出一个调查委员会，核实印度侵犯人权行为的性质和程度，确保惩罚责任人，为受害者伸张正义，提供救济。他还呼吁秘书长任命一名查谟和克什米尔问题特使。

令人震惊的是，印度占领军非但没有结束暴行，反而在控制线和工作边界蓄意升级紧张局势，试图转移国际社会对印度占领的查谟和克什米尔严重人权状况的注意力。

2017 年，印度占领军在控制线和工作边界沿线的违反停火行为出现前所未有的升级。2017 年发生 1 970 次违反停火行为，导致 54 名无辜平民殉难，200 余人受伤。其中包括妇女、儿童和老人。

这一趋势在 2018 年头两个月进一步加剧，在此期间印军违反停火的总次数攀升至 400 余次。其结果是 20 名无辜平民殉难，另有 71 人受伤。控制线和工作边界沿线的平民居住村庄不断沦为重型迫击炮和自动武器的目标。滥用这些大口径武器导致伤亡人数增加。

为此，巴基斯坦已就违反停火行为以及由此造成的宝贵生命损失向印度提出多次抗议。兹附上 2017 年发往印度高级专员公署的所有交涉(见附文)。

印度的行动威胁到区域和平与安宁，并可能导致在核武器化的南亚发生战略误判。请将所附交涉作为安全理事会文件分发给荷，以便国际社会知悉印度所犯暴行的严重性。

No. Ind(I)-5/4/2018(D)

12 March, 2018

Subject: **Situation on the LoC and the Working Boundary**

Excellency,

Reference earlier letters addressed to your Excellency, dated 6th December, 31st October, 6th June and 27th April 2017, about the ever deteriorating Human Rights situation in the Indian Occupied Jammu and Kashmir (IoK), where the Indian occupation forces have unleashed a reign of terror and atrocities against the defenseless and innocent Kashmiris.

2. Thousands of innocent Kashmiri civilians in the IoK are protesting every day in the streets. Their only demand is the realization of the right to self determination promised to them by the United Nations. Since July 2016, hundreds of innocent Kashmiris have been killed and more than 20,000 are injured. Scores of people have become permanently blind and suffer from partial to complete blindness. These barbaric acts urgently call for action from the international community.

3. You may recall that while addressing the 72nd Session of the UN General Assembly, the Prime Minister of Pakistan presented a very strong case on Jammu & Kashmir dispute to the international community and highlighted the grave human rights violations being perpetrated by the Indian forces in the Indian occupied Jammu and Kashmir. He underscored the brutal suppression of the struggle for self determination of the people of IoK, by India. The Prime Minister demanded an international investigation into India's crimes in the IoK and requested the UN Secretary General and the High Commissioner for Human Rights (OHCHR) to send an inquiry commission to IoK to verify the nature and extent of India's human rights violations, secure punishment of those responsible and provide justice and relief to victims. He also called upon the UN Secretary General to appoint a special envoy on Kashmir.

4. Alarming, instead of putting an end to these brutalities, the Indian occupation forces have deliberately escalated tensions at the Line of Control (LoC) and the Working Boundary (WB), in order to divert the attention of the international community from the grave human rights situation in the Indian occupied Jammu and Kashmir.

-2-

5. The year 2017 witnessed an unprecedented escalation in the ceasefire violations by the Indian occupation forces along the Line of Control and the Working Boundary. Fifty four (54) innocent civilians embraced martyrdom, while more than 200 were injured in 1970 ceasefire violations during the year 2017. This number includes women, children and elderly people.

6. This trend has further intensified during the first two months of 2018, when the total number of CFVs by the Indian forces has risen to more than 400. Resultantly, 20 innocent civilians have embraced martyrdom while 71 others are injured. The civilian populated villages along the Line of Control and the Working Boundary are continuously being targeted with heavy mortars and automatic weapons. Indiscriminate use of these heavy caliber weapons has increased the number of casualties.

7. Pakistan has resultantly lodged many protests with India over the ceasefire violations and the resultant loss of precious lives. The copies of all the demarches issued to the Indian High Commission in 2017, are attached .

8. The Indian actions are a threat to regional peace and tranquility and can lead to a strategic miscalculation in the nuclearized South Asia. I would appreciate if these demarches may be circulated amongst the member states, and as official UNSC documents, so that the international community may be sensitized about the gravity of Indian atrocities.

Sincerely,

(Khawaja Muhammad Asif)

Secretary General of the United Nations,

Additionally, there is confirmed intelligence, regarding unusual aggressive deployment of men, including commandos and heavy material on the other side of the LoC.
