Resolution 2530 (2020)**Adopted by the Security Council on 29 June 2020***The Security Council,*

Noting with concern that the situation in the Middle East is tense and is likely to remain so, unless and until a comprehensive settlement covering all aspects of the Middle East problem can be reached,

Having considered the reports of the Secretary-General on the United Nations Disengagement Observer Force (UNDOF) of 20 March 2020 (S/2020/219) and 8 June 2020 (S/2020/506), and also reaffirming its resolution 1308 (2000) of 17 July 2000,

Stressing that both parties must abide by the terms of the 1974 Disengagement of Forces Agreement between Israel and the Syrian Arab Republic and scrupulously observe the ceasefire,

Expressing concern that the ongoing military activities conducted by any actor in the area of separation continue to have the potential to escalate tensions between Israel and the Syrian Arab Republic, jeopardize the ceasefire between the two countries, and pose a risk to the local civilian population and United Nations personnel on the ground,

Expressing its appreciation in this regard to UNDOF's liaison efforts to prevent any escalation of the situation across the ceasefire line,

Expressing alarm that violence in the Syrian Arab Republic risks a serious conflagration of the conflict in the region,

Expressing concern at all violations of the Disengagement of Forces Agreement,

Noting the Secretary-General's latest report on the situation in the area of operations of UNDOF, including findings about weapons fire across the ceasefire line as well as ongoing military activity on the Bravo side of the area of separation, and in this regard underscoring that there should be no military forces, military equipment, or personnel in the area of separation other than those of UNDOF,

Calling upon all parties to the Syrian domestic conflict to cease military actions throughout the country, including in the UNDOF area of operations, and to respect international humanitarian law,

Noting the significant threat to the UN personnel in the UNDOF area of operation from unexploded ordnance, explosive remnants of war and mines, and *emphasizing* in this regard the need for demining and clearance operations in strict compliance with the 1974 Disengagement of Forces Agreement,

Reaffirming its readiness to consider listing individuals, groups, undertakings, and entities providing support to the Islamic State in Iraq and the Levant (ISIL, also known as Da'esh) or to the Al-Nusra Front (also known as Jabhat Fateh al-Sham or Hay'at Tahrir al-Sham), including those who are financing, arming, planning, or recruiting for ISIL or the Al-Nusra Front and all other individuals, groups, undertakings, and entities associated with ISIL and Al-Qaida as listed on the ISIL (Da'esh) and Al-Qaida Sanctions List, including those participating in or otherwise supporting attacks against UNDOF peacekeepers,

Recognizing the necessity of efforts to flexibly adjust UNDOF's posture to minimize the security risk to UNDOF personnel as UNDOF continues to implement its mandate, while emphasizing that the ultimate goal is for the peacekeepers to return to UNDOF's area of operations as soon as practicable,

Emphasizing the importance of Security Council and troop-contributing countries having access to reports and information related to UNDOF's redeployment configuration, and reinforcing that such information assists the Security Council with evaluating, mandating, and reviewing UNDOF and with effective consultation with troop-contributing countries,

Underscoring the need for UNDOF to have at its disposal all necessary means and resources to carry out its mandate safely and securely, including technology and equipment to enhance its observation of the area of separation and the ceasefire line, and to improve force protection, as appropriate, and *recalling* that the theft of United Nations weapons and ammunition, vehicles and other assets, and the looting and destruction of United Nations facilities, are unacceptable,

Expressing its profound appreciation to UNDOF's military and civilian personnel, including those from Observer Group Golan, for their service in an ongoing, challenging operating environment, *underscoring* the important contribution

UNDOF's continued presence makes to peace and security in the Middle East, *welcoming* steps taken to enhance the safety and security of UNDOF, including Observer Group Golan, personnel, and *stressing* the need for continued vigilance to ensure the safety and security of UNDOF and Observer Group Golan personnel,

Strongly condemning incidents threatening the safety and security of United Nations personnel,

Expressing its appreciation to UNDOF, including Observer Group Golan, for re-establishing its presence at Camp Faouar and for further progress towards expanding its presence in its area of operations through patrols and rehabilitation of positions on the Bravo side,

Taking note of the Secretary-General's plan for UNDOF to return to the Bravo side based on a continuous assessment of security in the area of separation and its surroundings, and continued discussion and coordination with the parties,
